223. The overflow pipe shall not be jointed to any pipe or drain, but must have an open end brought to the outside of the premises above ground at a conspicuous spot, or made to discharge overhead within the premises that the discharge, when there is any, may be visible to the occupiers of the house or the officers of the Council.

228. The Municipal Council may, at the request of the owner of any house or premises, furnish to him a supply of water by meter.

229. The Council may demand clubs, hotels, bakeries, butcher shops, brickmakers, marble cutters, livery stables, dairies, laundries, sodawater manufactories, or any person to use meters; also for dwelling-houses with garden ground extending to 1,000 square yards or upwards, also all places where water is used for irrgation purposes or for growing vegetable substances to feed cattle with or for sale.

230. The Council shall be entitled at any time to place a meter temporarily within the premises of any consumer to ascertain the quantity of water used.

No person who is either owner or occupier of premises which are not furnished with water or with a sufficient supply for his need from the Municipal mains shall be allowed to be supplied by any other person with Municipal water unless with the consent of the Council. No person shall wilfully or negligently suffer any pipe or apparatus to be out of repair, and no person shall use water for other purposes than those agreed upon.

234. Consumers shall allow any Inspectors, workmen, or other person (appointed by the Council and bearing written authority from the Municipal Clerk) admittance into dwelling-houses or other premises at all reasonable times for the purpose of examining if there be any waste or misuse of water; and should waste or misuse of water be discovered, the water may be cut off from the said premises after twenty-four hours' notice in writing shall have been given of the intention to do so.

235. Should any consumer wrongfully do or cause or permit to be done anything contrary to the foregoing Bye-laws, or should any consumer wrongfully fail to do anything which should be done by him in accordance with the foregoing Bye-laws, shall be liable to a fine not exceeding £10, or in default of payment to imprisonment with or without hard labour for any period not exceeding one month.

Office of the Director of Agriculture,
Cape Town, 25rd October, 1906.

APPOINTMENT OF CHIEF VETERINARY SURGEON.

IT is hereby notified for general information that His Excellency the Governor, in Council, has been pleased to approve of the appointment of Mr. JOHN DOWIE BORTHWICK, M.R.C.V.S., as Chief Veterinary Surgeon, Department of Agriculture, the appointment to have effect from the 19th July, 1906.

P. J. DU TOIT,
for Director of Agriculture.

[1097.] [1906.]

Office of the Surveyor-General,
Cape Town, 29th August, 1906.

IN terms of Section 4, Act 26 of 1891, as re-enacted by Act No. 18 of 1897, it is hereby notified that the following Pieces of Crown Land, situate in the Division of Peddie, will be offered for Lease, by Public Auction, in front of the Office of the Civil Commissioner of Peddie, at 10 o'clock a.m., on Saturday, the 3rd November, 1906, subject to the Conditions and Stipulations hereinafter contained, and further to such Conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than one year and not exceeding five years, to the highest bidder.

The following are the Conditions of Lease :—

1. One year's rent shall be paid to the Civil Commissioner on the day of Sale, and if the term of the Lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties; provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security will not be required.

2. The Government reserves the right of terminating the Lease should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at two months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the Lessee.

3. Licensed Land Surveyors employed in the survey of Crown or other lands with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes.

4. The right of searching and mining for ores, metals, minerals, or precious stones, is reserved to the Government or to any person authorised by it, save in so far as such right may limit the rights and privileges of the said Lessee in respect of precious stones and minerals, in manner provided by any Act in that behalf.

5. The Government does not undertake to point out any beacons. The description of the Lot will be given on the day of Sale of the Leases, and the Lessee will thereupon be expected to find the extent leased by him.

6. The Lessee shall not be entitled at the expiration or other termination of his Lease, to any compensation for improvements made during the term of the Lease, but they shall become the property of the Government.

7. The Lessee shall be required to keep all existing improvements on the land in good repair during the Lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.

8. The Lessee shall not transfer the Lease nor sublet the land or any portion of it, or any buildings or erections thereon, without the written sanction of the Government first obtained.

9. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.

10. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Divisional Council, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

11. The occupation of land under this Lease shall not be held to be *bona fide* occupation under the provisions and for the purposes of Section 20 of Act No. 40 of 1895.

Other conditions may be declared on the day of Sale.

The Stamps required by Act No. 20 of 1884, to be affixed to the Contracts of Lease will be furnished by the Government free of charge to the Lessee.

Office of the Surveyor-General,
Cape Town, 29th August, 1906.

ALLOTMENT OF REMAINING FARMS COMPRISED IN THE FIRST RAILWAY LAND GRANT, BECHUANALAND.

UNDER and by virtue of a Resolution adopted by the House of Assembly on the 27th May, 1904, and concurred in by the Legislative Council on the 28th May, 1904, it is hereby notified for general information that the under-mentioned farms, being portion of the area known as the First Railway Land Grant, Bechuanaland, situate in the Division of Vryburg, will *up to and including the 30th November*, 1906, be open for selection in the manner and on the terms and conditions hereunder set forth, viz. :—

1. Every application for such land shall be made, in writing, to the Civil Commissioner of Vryburg, who shall note thereon the date on which such application shall have been received by him, and in due course submit the same to the Land Board appointed for the purpose by Government.

Any application received after the 30th November, 1906, *will not be considered.*

2. The said Land Board shall thereupon allot the land so applied for to the person who, in its opinion, after due enquiry is deemed the most suitable—provided that, in no case shall the Board be bound to select any person deemed undesirable.

3. Every applicant for land under the provisions of this Notice shall make and append to his application a declaration to the following effect :—

I, [A.B] (insert occupation), residing at ———— in the District of————, do solemnly and sincerely declare that I am a British subject of the age of twenty-one years and upwards, that I make this present application for my own exclusive use and benefit, and not directly or indirectly for "the use or benefit of any other person whomsoever, that I am not the owner of any land other than urban property, that I have not made any arrangement or agreement to enable or permit any other person to acquire by purchase or otherwise, the land in respect of which this my application is made."

Signature of Applicant,
[A.B.]

Declared before me at————this————day of ———— 190

[C.D.]

Justice of the Peace.

4. Every applicant at the time of making application shall deposit with the Civil Commissioner of the Division in which such land is situate a sum equal to one-twentieth of the value of such land, and of the survey and other expenses connected therewith, and in the event of his neglecting or refusing to take up the land so applied for, if allotted to him, the said sum shall be absolutely forfeited to the Government : Provided that in the case of the ground applied for not being allotted to him, the amount of his deposit shall be returned to him forthwith.

5. Any British subject of full age may be allotted land under the provisions of this Notice, but no person who is the registered owner of any land other than urban property within the Colony, and no person who has at the time of application made any arrangement or agreement to permit any other person to acquire by purchase or otherwise the land so applied for shall be allotted land, and no person shall be capable of receiving more than one allotment under these provisions.

6. The Minister shall issue to the successful applicant a licence to hold the land applied for on the following terms and conditions :

(*a*) The licence shall be for five years, reckoned from the next first July, or first January following the date of licence, but occupation may commence immediately the Licence deed is issued.

(*b*) The yearly payment in respect of such licence shall be equal to one-twentieth the price fixed for the land so held, together with one-twentieth of the survey and other expenses on such land, and shall be paid in advance.

(*c*) The deposit paid at the time of application shall be in discharge of the amount due on the next first day of January or July, as the case may be.

(*d*) The person to whom such licence is issued shall, within six months of the issue of his licence, personally occupy the land allotted to him, and shall continue so to occupy such land except as hereinafter provided, for the term of five years, or until he shall obtain a title to such land.

(*e*) No substitution whatever will be allowed during the period of the licence, unless the applicant shall have notified to the Civil Commissioner, when submitting his application for the farm, in terms of Section I of this notice, that he desires to occupy by substitute, and shall at the same time have submitted, in writing, the name of the proposed substitute for the consideration and approval of the Land Board.

Occupation by substitutes other than those approved of as above will not be permitted, and in no case will occupation by substitute be allowed for more than two years during the whole term of the licence.

7. No land held under the provisions of this Notice shall be transferable during the currency of the licence mentioned in the clause next preceding, except with the previous consent of the Government.

8. In the event of any failure during the currency of the licence to perform the condition of occupation the Minister may declare the licence absolutely forfeited and the land in respect of which the licence is issued shall revert to Government : Provided that if it is proved to the satisfaction of the Minister that the failure to occupy was caused by drought, or some other cause deemed sufficient by the Minister, he may excuse such failure, but such excuse shall not be given for a period of more than twelve months unless such cause subsists for a longer period.

9. At the expiration of the five years for which any licence is granted, and if the Minister is satisfied that the conditions therein contained have been duly fulfilled, he shall cause to be issued to the licensee a title deed to the land held and occupied by him on quitrent tenure at an annual quitrent equal to the yearly licence fee, which quitrent shall cease to be payable when twenty instalments (20) in all, equivalent to the purchase price of the land, have been paid.

10. The title deed will be subject to the following general conditions, and to such special conditions as may be considered expedient, viz. :—

(*a*) All roads and thoroughfare being or existing on the land, whether described in the diagram or not, shall remain free and uninterrupted; unless the same be closed or altered by competent authority.

(*b*) If at any time it should appear to the Governor upon petition of any adjacent or neighbouring proprietor that such adjacent or neighbouring proprietor requires a way or road of necessity to or from the land of such adjacent or neighbouring proprietor, the owner of land so granted, upon which such road is required, shall be bound to grant such way or road of necessity, and to point out the direction and width thereof : Provided that in case of a dispute or difference regarding such road, or its sufficiency, the direction and width of the road shall be decided upon by the Divisional Council of the Division in which the land is situated : Provided further that the said owner shall not be bound to allow such road or thoroughfare across land which shall at the time be in a state of cultivation or improvement, and that compensation for the right of way and any damage done shall be paid for by the person or persons for whose benefit and upon whose application the said road is made according to determination by arbitration.

(*c*) The Governor shall at all times have the right to make roads, railways, dams, aqueducts, drains, and to conduct telegraphs over the land for the benefit of the public, and to take materials for these purposes, also to establish convenient outspans for the use of travellers, on payment to the proprietors of such sum of money as compensation as may be determined by arbitration : Provided that the arbitrators may set off against the loss or damage caused to the proprietor, the benefit, instant or prospective, which he shall or may derive in consequence of the construction of any of the said works.

6. MINISTERIAL DIVISION OF SECRETARY FOR AGRICULTURE.

(*d*) The Governor shall at all times have the right of resuming the whole or a portion of the land hereby granted, if required for public purposes, on payment to the proprietor of such sum of money in compensation as may be mutually agreed upon by the parties concerned, or, failing such agreement, as may be determined by arbitration.

(*e*) All rights to gold, silver, and precious stones found or discovered at any time on or in the land so granted, shall be reserved to the Government conjointly with the Rhodesia Railways Ltd., together with a right of ingress to and egress from any mines or works undertaken for mining or prospecting purposes by any person or persons authorised by the Government. The further right shall be reserved to the Government acting with the said Company to resume proprietorship of any portion of such lands and of the water supply thereof as may be required for the convenient working of mines or works for gold, silver, or precious stones, on payment of such sums of money in compensation as may be mutually agreed upon by the parties concerned, or failing such agreement, as may be determined by arbitration.

11. If any instalment shall not be paid within three months of the date on which it is due and payable an additional sum equal to one-fourth part thereof, by way of penalty, shall be added thereto, and shall, together with the instalment overdue, be recoverable at the suit of the Government in any competent Court.

These farms will be allotted subject to the condition that the Licencee shall not be allowed during the continuance of his licence to cut down or destroy any forest timber, or poles growing upon the land, except as shall be reasonably necessary for domestic purposes, and for the beneficial occupation of the land, but not for sale.

The Government reserves the right:—

(1) *To enter upon the farms "Bulcote," "Bedale," "Cullendale," "Dingwall," "Dartmoor," "Elsmere," "Eildon," "Ettrick," "Hartnolls," "Lyndoch," "Langar," "Vengrove" and "Westfield," and to sink, for the public use and benefit, wells or boreholes within 300 yards of any existing road without compensation to the Proprietor except for improvement on land so entered upon.*

(2) *To reserve or resume in connection with any such well or borehole:—*
   (*a*) *An extent of land falling within a radius of 150 feet around such well or borehole; and*
   (*b*) *An approach thereto not exceeding 50 feet in width without compensation to the Proprietor, except for improvements on the land so reserved or resumed.*

The plans and form of Licence Deed may be seen at the Offices of the Civil Commissioners at Vryburg, Mafeking, Kimberley, East London, Port Elizabeth, Graham's Town, and Queenstown, and Resident Magistrate, Kuruman, respectively, and at the Surveyor-General's Office, Cape Town.

All enquiries should be addressed to the Surveyor-General or to the Civil Commissioner of Vryburg.

The Purchase Price in each case includes cost of Survey and other expenses, but it should be understood that the farms have as yet only been surveyed roughly by compass, and that before titles can be issued by the Government, in terms of Section 9 of this notice, a further survey will have to be made for which the Licensee will be called upon to pay any charges which may be incurred for survey, in excess of those already included in the purchase amount of the lots advertised.

The Government does not guarantee that the extent alleged to be contained in the farms advertised by this notice are correct, and will not hold itself liable for any shortage which may eventually be found to exist, neither does it guarantee that the corner beacons which were placed in the original compass survey are still standing nor undertake to indicate their positions.

Surveyor-General.

ing zullen nemen bij het bepalen van het verlies of schade veroorzaakt aan den eigenaar, het voordeel terstond of in de toekomst, dat hij zal ontvangen wegens het aanleggen van genoemde werken.

(*d*) De Gouverneur zal op alle tijden het recht hebben het geheel of een deel van het land mits deze geschonken terug te nemen indien noodig voor publieke doeleinden, tegen betaling aan den eigenaar van zoodanige som geld als schadevergoeding als onderling zal worden overeengekomen door de betreffende partijen of bij gebreke van zoodanige overeenkomst als bepaald wordt door arbitrage.

Het verdere recht zal worden gereserveerd aan het Gouvernement handelende met de genoemde Maatschappij om weder het eigendomrecht terug te nemen van eenig deel van zoodanige landen en van den watervoorraad daarvan als noodig is voor het geriefelijk werken van mijnen of werken voor goud, zilver, of edelgesteenten, tegen betaling van zoodanige sommen geld als schadevergoeding als onderling zal worden overeengekomen door de betroffen partijen of bij gebreke van overeenkomst, als zal worden bepaald door arbitrage.

11. Indien eenig paaiement niet betaald is binnen drie maanden op den datum op welk het schuldig en betaalbaar is, zal een additioneele som gelijkstaande aan een vierde deel daarvan bijgeteld worden, als een boete, en zal, tezamen met het onbetaalde paaiement, inbaar zijn door gerechtelijke vervolging van de Gouvernement in eenig bevoegd Gerechtshof.

Deze plaatsen zullen geallotteerd worden op voorwaarde dat de Gelicentieerde niet vergund is gedurende den duur van zijne Licentie, eenig bosch hout of boomen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

Het Gouvernement behoudt het recht:—

(1) *Om op de plaatsen "Bulcote," "Bedale," "Cullendale," "Dingwall," "Dartmoor," "Elsmere," "Eildon," "Ettrick," "Hartnolls," "Lyndoch," "Langar," "Vengrove" en "Westfield," te gaan, en voor het publiek gebruik en nut, putten of boorgaten te graven binnen 300 yards van eenigen bestaanden weg zonder schadevergoeding aan den eigenaar, behalve voor verbetering aan het land waarop aldus wordt gegaan.*

(2) *Te reserveeren of terug te nemen in verband met eenig zoodanige put of boorgat—*

(*a*) *Een stuk land vallende binnen een straal van 150 voet om zoodanige put of boorgaat; en*

(*b*) *Een toegangspad daarheen niet meer dan 50 voet breed, zonder vergoeding aan den eigenaar, behalve voor verbeteringen aan het land aldus gereserveerd of weder in bezit genomen.*

De Teekeningen en vormen van Licentie Akte kunnen gezien worden ten kantore van de Civiele Commissarissen, Vryburg, Mafeking, Kimberley, Oost Londen, Port Elizabeth, Grahamstown, en Queenstown, en Resident Magistraat, Kuruman respektievelijk, en ten kantore van den Landmeter-Generaal, Kaapstad.

Alle verzoeken om inlichtingen moeten geadresseerd worden aan den Landmeter-Generaal of aan den Civielen Commissaris van Vryburg.

De Koopprijs in ieder geval sluit in Opmetings en andere onkosten, maar het moet begrepen worden dat de plaatsen nog maar ruw opgemeten zijn met kompas, en dat vóór grondbrieven kunnen worden uitgegeven door het Gouvernement, overeenkomstig Sectie 9 van deze kennisgeving, eene verdere opmeting moet worden gemaakt waarvoor de gelicentieerde de beloopen onkosten moet betalen, behalve die welke reeds in de koopprijs van de perceelen zijn inbegrepen als geadverteerd.

Het Gouvernement geefte geen waarborg dat de grootte die verondersteld wordt te zijn vervat in de plaatsen geadverteerd in deze kennisgeving juist is, en houdt zich niet aansprakelijk voor eenig tekort dat gevonden moge worden te bestaan, evenmin waarborgt het dat de hoek bakens die geplaatst werden in de oorspronkelijke kompas opmeting nog staan, en neemt ook niet op zich om dezelve aan te wijzen.

Landmeter-Generaals Kantoor,

Kaapstad, 29 Augustus 1906.

OVEREENKOMSTIG artikel 4, Wet 26 van 1891, als verder bekrachtigd door Wet 18 van 1897 wordt hiermede kennis gegeven dat de volgende stukken Kroonland, gelegen in de Afdeeling Peddie, bij publieke opbod, te huur aangeboden worden zullen voor het kantoor van den Civielen Commissaris te Peddie, om 10 uur 's voormiddags, op Zaterdag, den 3 November 1906, onderhevig aan de Voorwaarden en Bepalingen hierna te worden genoemd, en verder aan zulke condities als op den verkoopdag mogen vermeld worden.

De grond zal voor een termijn van niet minder dan een jaar en niet meer dan vijf jaren aan den hoogsten bieder verpacht worden.

De algemeene voorwaarden van de verpachting zijn als volgt:—

1. Een jaar huur zal den Civielen Commissaris op den dag der verpachting betaald worden, en als de pachttijd meer dan een jaar zal zijn, zal de gereedelijke betaling van de huursom vooruit voor het volgende jaar of de volgende jaren door goedgekeurde borgen verzekerd worden: mits echter dat de Civiele Commissaris twee jaar huur vooruit mag ontvangen, in welk geval genoemde borgstelling niet noodig is.

2. De Regeering behoudt het recht de pacht te eindigen, mocht het dienstig geacht worden den grond te verkoopen of andere omstandigheden het te eeniger tijd noodig of dienstig maken, op twee maanden kennisgeving; en in zulk een geval zal de huur, betaald voor een nog niet afgeloopen deel van het loopende jaar, aan den huurder terugbetaald worden.

3. Gelicentieerde landmeters, bezig met het opmeten van Kroon of anderen grond met hunne assistenten en bedienden, zullen ter alle tijde recht van toegang hebben, tot alle deelen van den verhuurden grond voor professioneele doeleinden.

4. Het recht om te zoeken en graven naar erts, metalen, delfstoffen, of edelgesteenten is aan de Regeering of aan alle door haar gemachtigde personen voorbehouden, behalve in zoo ver als zulk recht de rechten en privilegien van gezegde huurders ten opzichte van edelgesteenten en delfstoffen moge beperken, als bepaald bij eenige wet te dien opzichte.

5. De Regeering neemt niet op zich eenige baken aan te wijzen. De beschrijving van het stuk grond zal op den pachtdag gegeven worden, en de huurder zal daarop verwacht worden de uitgestrektheid van het door hem gehuurde land te vinden.

6. De huurder zal bij het vervallen of anderszins eindigen van den huur, geen aanspraak hebben op eenige vergoeding voor verbeteringen aangebracht gedurende den huurtijd, maar deze zullen het eigendom der Regeering worden.

7. De huurder zal alle bestaande verbeteringen op den ground gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

8. De huurder zal de pacht niet overdragen, of den grond of eenig deel daarvan onder verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning der Regeering verkregen is.

9. De huurder zal zijn pacht geheel en volstrekt verliezen op het breken van eenige hem bindende voorwaarde.

10. De Regeering behoudt zichzelve het recht voor om het aantal personen te beperken, die op den hierbij verhuurden grond mogen wonen gedurende het bestaan van de pacht, en om, op aanbeveling van den Afdeelingsraad na behoorlijk onderzoek ingesteld met medeweten van den huurder, hetzij zoodanig aantal personen te verwijderen als zij te veel moge oordeelen, of de pacht nietig te verklaren als haar billijk onder de omstandigheden moge voorkomen.

11. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona-fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet No. 40 van 1895.

Andere voorwaarden mogen op den koopdag genoemd worden.

De zegels die volgens Wet 20 van 1884, aan het huur kontrakt moeten gehecht worden, zullen vrij van onkosten door de Regeering aan den huurden verschaft worden.

A. H. CORNISH-BOWDEN,
Landmeter-Generaal.

Schedule.

AMENDED REGULATIONS FOR ELECTION OF SCHOOL COMMITTEES.

(Framed in accordance with Section 42 of School Board Act No. 35 of 1905, and Section 6 of School Board Act Amendment Act No. 25 of 1906.)

1. Where an election of a Committee shall become necessary in accordance with the provisions of Sections 41 and 44 of the School Board Act, 1905, the School Board in whose District the school in question is situated, having fixed the number of members of such Committee, being not less than three nor more than seven, shall forthwith fix a time and place for a meeting of parents and guardians to elect a School Committee, and shall appoint and instruct a competent Election Officer who shall conduct the poll and be the Returning Officer. The person appointed shall not in any way be directly interested in the election. No teacher of the school concerned, no candidate, proposer or seconder of candidate shall be entitled to act in such capacity above mentioned.

2. The Election Officer shall give three weeks' notice of such meeting by fixing a notice, as in the Form (in English and Dutch) subjoined hereto, in a conspicuous place at the school. Further, where desirable and practicable, he may advertise the purpose, time and place of meeting in an English and in a Dutch newspaper circulating locally, and may also use such other means of publication as may be found expedient.

3. The meeting of parents and guardians having duly assembled at the appointed time, the Election Officer shall call for nominations; each nomination shall be by a proposer and seconder, both of whom shall be parents or guardians of pupils attending the school for which the Committee is being appointed. Nominations, when not made in person, shall be in writing, the signatures of the proposer and seconder being duly attested.

4. If the number nominated as members be equal to the number or less than the number to be elected by the parents or guardians, the Election Officer, having satisfied himself that the nominees and their proposers meet the requirements of the Act, shall at once declare the persons nominated to be duly elected, and report the names of the members so elected to the Secretary of the School Board; and in case of any dispute the matter shall be referred to the School Board for decision.

5. Should the number of members nominated fall below the number of members of the Committee previously determined upon by the Board, the Board shall at its next meeting appoint the number requisite to complete the Committee.

6. When the number of candidates is found to be greater than the number to be elected, the Election Officer shall call upon the duly qualified voters present to elect, by a show of hands, the requisite number of members from the persons duly nominated, and the result of such election by show of hands shall be held to be final, unless a poll be then and there demanded by or on behalf of any candidate.

7. In case a poll is demanded, the Election Officer shall at once fix a day for the election, which shall not be less than two and not more than three weeks after the day of nomination.

8. Where an election of members is thus necessary, the Election Officer shall, within one week of the day of nomination, post or deliver by hand a Voting Paper, as printed at the end hereof, to every parent or guardian eligible to vote at the election of a School Committee, in accordance with the provisions of Section 41 of the School Board Act, No. 35 of 1905, and a record of the names and addresses of the parents and guardians to whom such voting papers are sent shall be kept.

9. If a qualified voter shall lose or spoil or fail to receive his voting paper, the Election Officer may, on written application therefor, issue a second or further paper, record thereof being duly kept.

10. A parent or guardian whose name appears on the Admission Register of any school where an election of members of a School Committee is taking place shall only exercise a single vote for each of the members to be elected to the Committee, irrespective of the number of children of such parent or guardian attending the school.

11. Should a father be entered in the Admission Register as the parent or guardian of any child, and for the same household the mother's name should appear in the Register in respect of another child, the father alone shall vote at the election of the School Committee, but the mother alone shall have the right to vote in the case of any child or children of hers by a previous marriage, in respect of whom her name appears in the School Register as parent or guardian.

12. The Election Officer may call upon any parent or guardian for proofs of the particulars furnished in the additional statement appended to the Voting Paper, if he is not personally satisfied as to their accuracy.

13. No parent or guardian, who lives outside the three mile limit of the School District, owning or renting property for occupation in the School District, shall be held qualified to vote at the election of members of a School Committee unless such property is at all times throughout the year available for occupation by such parent or guardian; and provided also that the house in question is not otherwise regularly occupied by any person other than a caretaker.

14. The Voting Paper may be either posted to the Election Officer at his address, or may be handed in to him at the polling place.

15. No Voting Paper shall be received by the Election Officer later than 5 p.m. on the day of election, nor shall Voting Papers be received by post by the Election Officer later than 6 p.m. on such day; and the Election Officer shall, immediately or on the day following the election, as he thinks fit, scrutinise and count the Voting Papers submitted, in the presence, if desired, of the candidates or their duly nominated representatives, and communicate the results of the election to the Secretary of the School Board.

The completed Voting Papers, while in the hands of the Election Officer, shall be duly safeguarded, and their contents shall not be divulged to any person other than as provided in these Regulations.

16. At the time of the counting and scrutiny of the votes referred to in the preceding section, the Election Officer may require the attendance of the Principal of the School with the Admission Register, so that any doubtful points in regard to the voters may, if possible, be elucidated. Should there be a tie in the number of votes cast for any two or more candidates the Election Officer shall, if necessary, have lots drawn in his presence by the candidates concerned or their duly appointed representatives in order to decide the matter.

17. If the Election Officer shall see fit to reject any Voting Papers, the reason for such rejection shall be endorsed thereon, and they shall be specially set aside and forwarded to the Secretary of the School Board, together with all Voting Papers and election papers.

18. In case the results as declared by the Election Officer shall be disputed by any candidate, or exception taken by, any protest shall be made to the Secretary of the

School Board within one week of the date of the election, and the Board shall decide, and, if further objection be made, the matter may then be referred to the Superintendent General of Education for his decision.

19. Casual vacancies caused through resignation or disqualification under Section 3 of these Regulations, or through non attendance at five consecutive meetings without leave from the Committee being first had and obtained, shall be filled in the same manner as that adopted at the regular election, the member or members so elected serving for the remainder of term of office of the member or members in whose place they have been elected.

20. The first meeting of the School Committee shall take place within three weeks of the election, on a day and at a convenient place to be fixed by the School Board, and these details, together with the names of the members elected, shall be published by the Board in a notice to be fixed at the school concerned one week after the election shall have been reported, no protest having in the meantime been lodged. Further, the members elected shall be informed of their election by letter from the School Board, which shall also fix the date of the first meeting, and their names shall likewise be transmitted to the Department. Meetings thereafter shall take place at least every two months, the place and time of meeting being fixed by the Committee.

21. The Election Officer shall keep a full account of all expenditure incurred in the election, obtaining in all cases vouchers in duplicate, and such accounts must be rendered to the Secretary of the School Board for the area.

22. The Election Officer shall provide himself with a copy or copies of these Regulations, to be available for reference, as far as possible, by the public.

At the expiration of the five years for which any **licence is granted, and if the Minister is satisfied that the conditions therein contained have been duly fulfilled, he** shall cause to be issued to the licensee a grant of the land held and occupied by him on quitrent tenure subject to the conditions stated in Section Five of Act 15 of 1887, subject to the payment of fifteen annual instalments each of the amount of one-twentieth of the value of the land, together with the value of the survey and other expenses, which shall be a first charge on such land and shall be secured by mortgage in favour of the Government : Provided that in the event of it being proved to the satisfaction of the Minister, who shall require certificates to that effect, that the licensee has after two years of occupation made permanent improvements on the land occupied by him under such licence equal at least to the value of the said land, the Minister may cause to be issued to him a title to the land held or occupied by him, subject to the payment of so many annual instalments of one-twentieth of the value of the land together with the value of the survey and other expenses as shall together with the annual payments made by him in respect of the licence to the said ground make up the whole value, and such annual payments due shall be secured by mortgage.

11. If any instalment shall not be paid within three **months of the date on which it is due and payable an** additional sum equal to one-fourth part thereof, by way of **penalty, shall be added thereto, and shall, together with** the instalment overdue, be recoverable at the suit of the Government in any competent Court.

These farms will be allotted subject to the condition that the Licensee shall not be allowed during the continuance of his licence to cut down or destroy any forest timber, or poles growing upon the land, except as shall be reasonably necessary for domestic purposes, and for the beneficial occupation of the land, but not for sale.

EDWARD THE SEVENTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful deputy.

GREETING!

WHEREAS upon petition of MARIA MAGDALENA VINTCENT, Executrix in the Estate of the late Lewis Anthony Vintcent, EDWIN BRENNAND HALL, ALWYN IGNATIUS VINTCENT and CHARLES HENRY VINTCENT, carrying on business at Oudtshoorn and Mossel Bay as General Merchants under the style or firm of PRINCE VINTCENT & Co., and FREDERICH WILHELM MATARE and CARL HEINRICH BRUNS, carrying on business at Mossel Bay as General Merchants under the style or firm of MATARE, BRUNS & Co., it appears to us that CHARLES EDWARD OAKLEY, lately of Montagu, now believed to be resident at Worcester, is justly and truly indebted to the Petitioners, Prince, Vintcent & Co., in the sum of Seventy-one Pounds, Ten Shillings (£71 10s.) sterling, and to the Petitioners, Matare, Bruns & Co., in the sum of Fifty Pounds, Eighteen Shillings and Sixpence (£50 18s. 6d.) Sterling, being in both cases in respect of goods sold and delivered to him, the said Charles Edward Oakley, at his special instance and request: and whereas it appears to us that the said Defendant did, on or about the 10th September, 1906, clandestinely leave his dwelling-house, in the District of Montagu, without making any provision for the payment of his debts to Petitioners, or any part thereof, and without having authorised any other person to do so; also that the said Defendant left his dwelling-house as aforesaid with the intent to defeat or delay the Practitioners and his other creditors in obtaining payment of their debts; and whereas it further appears to us that one, Daniel Ernst Brink, of Montagu, on the 13th day of October, 1906, issued a writ out of the Court of the Resident Magistrate for the district of Montagu, for the sum of £2 9s. 4d. for which sum he obtained judgment against the said OAKLEY, in the said Court on the 20th September, 1906, together with the sum of £1 11s. 7d. being the taxed costs and charges of the said DANIEL ERNST BRINK, and that the said Defendant was afterwards required by the Messenger of the said Resident Magistrate's Court to satisfy the said judgment or to point out sufficient disposable property to satisfy the same; but that it appears from the return made by the said Messenger to the said Writ that no goods or chattels of the Defendant were either pointed out or after diligent search found, whereof the exigency of the Writ or any part thereof could be made. And that in consequence thereof the said Defendant has committed acts of insolvency.

Whereupon the said Petitioners prayed that the Estate of the said CHARLES EDWARD OAKLEY might be Sequestrated for the benefit of the Creditors thereof; and whereas it further appears to us of record that the Right Hon. Sir John Henry de Villiers, K.C.M.G., Our Chief Justice of Our said Colony, did by an order under his hand bearing date the 20th day of October, 1906, place the Estate of the said CHARLES EDWARD OAKLEY under Sequestration in the hands of the Master of the Supreme Court until the same should be thereafter adjudged to be Sequestrated.

Now, therefore, we command you that you summon the said CHARLES EDWARD OAKLEY that he appear before Our Judges of Our Supreme Court of Our said Colony at Cape Town on Thursday, the 8th day of November, 1906, at 10 o'clock in the forenoon, to show cause, if any, why his Estate should not, by sentence of the said Supreme Court, be adjudged to be sequestrated for the benefit of his creditors; and serve on the said CHARLES EDWARD OAKLEY a copy of this summons; and return you this summons immediately after the service thereof with whatsoever you have done thereupon.

Witness.—The Right Hon. Sir John Henry de Villiers, P.C., K.C.M.G., Our Chief Justice of Our said Colony at Cape Town the 29th day of October, 1906 in the Sixth year of Our Reign.

No. 395, 1906.

Schedule.

GEAMENDEERDE REGULATIES VOOR HET VERKIEZEN VAN SCHOOL COMITES (OPGEMAAKT OVEREENKOMSTIG ARTIKEL 42 VAN DE SCHOOL RAAD WET No. 35 VAN 1905 EN ARTIKEL 6 VAN SCHOOL RAAD WET AMENDEMENT WET No. 25 VAN 1906).

1. Waar eene verkiezing van een Comité noodig zal worden overeenkomstig de bepalingen van Secties 41 en 44 van de School Raden Wet, 1905, zal de School Raad in welks Distrikt de School in kwestie is gelegen, na het aantal leden van zoodanig Comité vastgesteld te hebben, zijnde niet minder dan drie of meer dan zeven, onmiddellijk een tijd en plaats bepalen voor eene vergadering van ouders en voogden om een School Comité te kiezen, en moet een bekwame Verkiezings Beambte benoemen en last geven, die de verkiezing zal leiden en de Verslaggevende Beambte zal zijn. De aangestelde persoon mag in geene wijze direkt belang hebben bij de verkiezing. Geen onderwijzer van de betreffende school, geen kandidaat, voorsteller of secondeerder van een kandidaat is geoorloofd bovengenoemde betrekking waar te nemen.

2. De Verkiezings Beambte moet drie weken kennisgeven van zoodanige vergadering door eene kennisgeving vast te plakken, zooals vermeld is in den vorm hierbijgevoegd (in het Engelsch en Hollandsch), op eene in het oog vallende plek aan de School. Verder mag hij, waar het wenschelijk en doenlijk is, het doel, den tijd en plek van vergadering bekend maken in eene Engelsche en in een Hollandsche Courant plaatselijk circuleerende, en kan ook zoodanige andere middelen van publicatie gebruiken als noodzakelijk zullen gevonden worden.

3. De vergadering van ouders en voogden behoorlijk bijeengekomen zijnde op den bepaalden tijd, zal de Verkiezings Beambte om nominaties vragen; iedere nominatie zal worden gemaakt door een voorsteller en secondeerder, beide waarvan ouders of voogden zijn van leerlingen die de school bezoeken waarvoor het Comité wordt aangesteld. Nominaties niet in persoon gemaakt zullen in geschrifte zijn, en de handteekeningen van den voorsteller en secondeerder moeten behoorlijk geattesteerd worden.

4. Als het aantal genomineerd tot leden even groot is als het aantal of minder dan het aantal te worden gekozen door de ouders of voogden, dan zal de Verkiezings Beambte na zich overtuigd te hebben dat de genomineerden en hunne voorstellers voldoen aan de vereischten der Wet, de genomineerde personen onmiddellijk behoorlijk verkozen verklaren, en de namen van de leden aldus gekozen rapporteeren aan den Secretaris van den School Raad; en in geval van eenig dispuut zal de zaak worden verwezen naar den School Raad voor beslissing.

5. Zoo het aantal leden genomineerd minder is dan het aantal leden van het Comité tevoren bepaald door den Raad, zal de Raad op de volgende vergadering het aantal benoemen noodig om het Comité voltallig te maken.

6. Wanneer het aantal kandidaten gevonden is grooter te zijn dan het aantal te worden gekozen, zal de Verkiezings Beambte de behoorlijk gekwalificeerde kiezers tegenwoordig oproepen om door het opsteken van handen het benoodigde aantal leden te kiezen uit de personen behoorlijk genomineerd, en het resultaat van zoodanige verkiezing door handen opsteken zal genomen worden finaal te zijn, tenzij eene stemming dan en daar gevraagd wordt door of ten behoeve van een kandidaat.

7. In geval eene stemming wordt verlangd, moet de Verkiezings Beambte dadelijk een dag voor de stemming bepalen, welke niet minder zal zijn dan twee en niet meer dan drie weken na den datum van nominatie.

8. Waar een verkiezing van leden aldus noodig is, zal de Verkiezings Beambte, binnen één week van den dag van nominatie een stembrietje door de post zenden of overhandigen, zooals gedrukt aan het einde hiervan, aan iederen ouder of voogd die kan stemmen bij de verkiezing van een School Comité overeenkomstig de bepalingen van Sectie 41 van de School Raden Wet, No. 35 van 1905, en eene lijst zal worden gehouden van de namen en adressen van de ouders en voogden aan wien zoodanige stembrietjes zijn afgegeven.

9. Indien een bekwame kiezer zijn stembrietje verliest of bederft of niet ontvangt, kan de Verkiezings Beambte, na daartoe schriftelijk om gevraagd te zijn, een tweede of verder brietje geven, waarvan behoorlijke rekening zal worden gehouden.

10. Een ouder of voogd wiens naam voorkomt op het Toelatings Register van een School waar eene verkiezing van leden van School Comité plaats heeft, zal slechts één enkele stem mogen geven aan ieder der leden te worden gekozen op het Comité, onafhankelijk van het aantal kinderen van zoodanigen ouder of voogd die de School bezoeken.

11. Indien een vader opgeschreven staat in het Toelatings Register als de ouder of voogd van een kind, en voor de zelfde huis de naam der moeder ook op het Register staat voor een ander kind, dan zal de vader alleen stemmen op de verkiezing van het School Comité, maar de moeder alleen zal het recht hebben te stemmen in het geval van een kind of kinderen van haar bij een vorig huwelijk, met betrekking tot welke haar naam verschijnt op het School Register als ouder of voogdesse.

12. De Verkiezings Beambte kan eenigen ouder of voogd om bewijzen vragen van de bijzonderheden gegeven in de additioneele opgave gevoegd bij het stembrietje, indien hij niet persoonlijk overtuigd is van de nauwkeurigheid.

13. Geen ouder of voogd wonende buiten de drie-mijl grens van het School Distrikt die eigendom bezit of huurt voor bewoning in het School Distrikt, zal bekwaam gehouden worden te stemmen bij de verkiezing van leden van een School Comité, tenzij zoodanig eigendom ten allen tijde het jaar door beschikbaar is om te worden bewoond door zoodanigen ouder of voogd, en mits ook dat het huis in kwestie niet anders geregeld wordt bewoond door iemand andere dan een oppasser.

14. Het stembrietje kan òf door de post gezonden worden aan den Verkiezings Beambte naar zijn adres of aan hem overhandigd worden op de stemplek.

15. Geen stembrietjes zullen worden ontvangen door den Verkiezings Beambte later dan 5 uur n.m. op den dag der verkiezing; evenmin zullen stembrietjes per post door den Verkiezings Beambte ontvangen worden later dan 6 n.m. op zoodanigen dag; en de Verkiezings Beambte zal, onmiddellijk of op den dag volgende de verkiezing, zooals hij goed dunkt, de ingeleverde stembrietjes onderzoeken en tellen, in tegenwoordigheid, indien verlangd, van de kandidaten of hunne behoorlijk genomineerde vertegenwoordigers, en het resultaat der verkiezing mede deelen aan den Secretaris van den School Raad.

De ingevulde stembrietjes zullen terwijl zij in de handen zijn van den Verkiezings Beambte behoorlijk worden bewaard, en hun inhoud zal niet worden bekend gemaakt aan iemand anders dan bepaald is in deze Regulaties.

2. MINISTERIEELE AFDEELING VAN DEN KOLONIALEN SECRETARIS.

16. Ten tijde van het tellen en onderzoeken van de stemmen vermeld in het vorige artikel kan de Verkiezings Beambte de tegenwoordigheid verlangen van het Hoofd der School met het Toelatings Register, zoodat eenige twijfelachtige punten met betrekking tot de kiezers, zoo mogelijk, kunnen worden opgehelderd. Zoo het aantal stemmen aan twee of meer kandidaten gelijk is, zal de Verkiezings Beambte, indien noodig, laten loten in zijn tegenwoordigheid door de kandidaten betroffen of hunne behoorlijk benoemde vertegenwoordigers ten einde de zaak te beslissen.

17. Indien de Verkiezings Beambte het goeddunkt eenige stembriefjes te verwerpen, zal de reden voor zoodanige verwerpen daarop worden geendosseerd, en zij zullen speciaal terzijde gelegd en gezonden worden aan den Secretaris van den School Raad, tezamen met alle stembriefjes en Verkiezings papieren.

18. In geval de uitslag zooals verklaard door den Verkiezings Beambte wordt betwist door een kandidaat, of aanmerking worden gemaakt daartegen, zal geprotesteerd worden aan den Secretaris van den School Raad binnen eene week van den datum der verkiezing, en de Raad zal beslissen en indien verdere objectie wordt gemaakt, kan de zaak dan verwezen worden naar den Superintendent-Generaal van Onderwijs voor zijne beslissing.

19. Toevallige vakaturen ontstaan door aftreden of onbekwaam worden, onder Sectie 3 dezer Regulaties, of wegens het niet verschijnen op vijf opeenvolgende vergaderingen zonder de toestemming van het Comité vooraf is verkregen, zullen worden gevuld op dezelfde wijze als vastgesteld voor de geregelde verkiezing, het lid of leden aldus gekozen dienende voor het onafgeloopen ambts tijdperk van het lid of leden in wier plaats zij zijn gekozen geworden.

20. De eerste vergadering van het School Comité zal plaats hebben binnen drie weken van de verkiezing op een dag en op eene geriefelijke plek te worden bepaald door den School Raad, en deze bijzonderheden tezamen met de namen van de leden verkozen zullen worden gepubliceerd door den Raad in eene kennisgeving te worden opgeplakt aan de betrokken school één week na de verkiezing is gerapporteerd geworden, geen protest intusschen ontvangen zijnde. Kantoor van den Landmeter-Generaal,
Kaapstad, 4 Augustus 1906.

KROON LANDEN VOOR UITKIEZING ONDER WET 40 VAN 1895.

IN termen van Artikel VII. van Wet 40 van 1895, wordt hiermede kennis gegeven voor algemeene informatie dat de ondergenoemde plaatsen gelegen in de Afdeeling Robertson, open zullen wezen voor uitzoeking van en na Zaterdag, den 10den dag van November 1906, op de wijze en bepalingen vervat in de gezegde Wet 40 van 1895, en hieronder voortgezet:—

1. Ieder aanzoek voor zulk land zal schriftelijk moeten gedaan worden, aan den Civielen Commissaris van de Divisie in welke zulk land gelegen is, die daarop zal noteren den dag waarop zulk aanzoek door hem ontvangen werd, en ze dan aan den Minister toezenden.

2. Voor het doel van deze Wet, zullen twee of meer aanzoeken ontvangen voor hetzelfde land op dezelfden dag na den datum vastgesteld in de kennisgeving genomen worden als te gelijkertijd gedaan, en alle aanzoeken gedaan voor den datum vastgesteld in de kennisgeving zullen behandeld worden alsof zij gedaan werden op den datum alzoo vastgesteld.

3. De Minister zal de landen voor welk alzoo aanzoek gedaan is allotteeren volgens de prioriteit van aanzoek, tenzij dat er twee of meer aanzoeken gedaan werden te gelijker tijd voor het zelfde land, dan zal het recht van prioriteit bepaald worden door loten.

4. Ieder aanzoeker voor land onder de provisies van deze Wet zal een declaratie maken, en dezelve bij zijn aanzoek voegen ten volgende effekte:—

Ik [A.B.] (voeg in occupatie), wonende te .....
in het Distrikt van ....., verklaar hiermede plechtiglijk en oprechtelijk dat ik een en twintig jaren oud ben en boven, dat ik deze tegenwoordige aanzoek doe voor geheel mijn eigen gebruik en voorrecht, en niet direkt of indirekt voor het gebruik of voorrecht van eenig ander persoon hoegenaamd, dat ik niet de eigenaar ben van eenig land, dat ik geen schikking of toestemming gemaakt heb om eenig ander persoon te doen verkrijgen door kooping of anderszins, het land in verband met welke deze mijne aanzoek gemaakt is."

Onderteekening van Applikant.

[A.B.]

Verklaard voor mij, te ..... heden ..... dag van ..... 190.....

[C.D.]

Vrederechter.

5. Ieder applikant op den tijd wanneer aanzoek gedaan wordt zal bij den Civielen Commissaris van de Divisie in welke zulk land gelegen is deponeeren een somma gelijkstaande aan de een-twintigste deel der waarde van zoodanig land, en van de landmeting en andere onkosten in verband daarmede, en in geval dat hij verzuimt of weigert om het land te nemen, indien aan hen bedeelt, waarvoor aanzoek gedaan werd, zal de geheele somma absoluut verbeurd worden aan het Gouvernement: Tenzij dat in geval, het land waarvoor aanzoek gedaan is niet aan hem bedeeld wordt, het geld door hem gedeponeerd dadelijk terug zal betaald worden.

6. Aan eenig persoon die mondig is, kan land worden geallotteerd onder de provisies van deze Wet, maar geen persoon die de geregistreerde eigenaar is van eenig land binnen de Kolonie, en geen persoon die overeenkomst gemaakt heeft om eenig ander persoon toe te laten om te verkrijgen door kooping of anderszins, het land aldus voor aanzoek gedaan, zal het land bedeeld worden, en geen persoon mag meer dan een deel ontvangen volgens de kracht van uitzoeking onder deze Wet.

7. De Minister zal aan den eersten aanzoeker die voldaan zal hebben aan de bepaalde condities voor eenig land onder deze Wet, of in geval van twee of meer aanzoekingen voor hetzelfde land aan den aanzoeker bepaald door lot, een licentie geven om het land te houden voor welk aanzoek gedaan werd op de volgende voorwaarden en condities:—

(*a*) De licentie zal wezen voor vijf jaren, berekend van den aanstaanden eersten Juli, of eersten Januari volgende den datum van licentie, en zal insluiten het tijdperk tusschen den datum van licentie en zulk dag.

(*b*) De jaarlijksche betaling voor zoodanige licentie zal gelijkstaande wezen aan een-twintigste de prijs vastgesteld voor het land alzoo gehouden, tezamen met een-twintigste van de opmeting en andere onkosten op zoodanig land, en zal vooruit betaalbaar wezen.

(*c*) Het deposit betaald op den tijd van aanzoek zal in betaling wezen voor het bedrag betaalbaar op den aanstaanden eersten dag van Januari of Juli, zooals het geval is.

(*d*) Den persoon aan wien zulk licentie uitgereikt is zal, binnen zes maanden van de uitreiking van zijn Licentie, persoonlijk het land bewonen aan hem bedeeld en zal op zoodanig land blijven, voor een tijdperk van vijf jaren behalve als hierna bepaald of totdat hij een grondbrief ontvangen zal hebben voor zoodanig land.

8. Geen land gehouden onder de provisies van deze Wet mag worden getransporteerd gedurende den loop van de licentie genoemd in de clausule voorafgaand.

9. In geval van eenig verzuim gedurende den duur van de licentie om te voldoen aan de condities van occupatie, kan de Minister de licentie verklaren als geheel en al verbeurd, en het land in verband voor welk de licentie uitgereikt is zal naar het Gouvernement terug vallen: Mits dat indien het bewezen is geworden naar de voldoening van den Minister dat het verzuim om te bewonen werd veroorzaakt door droogte, mag hij zulk verzuim verontschuldigen maar zulke verontschuldiging zal niet gegeven worden voor een tijdperk van meer dan twaalf maanden, tenzij zulk droogte aanhoudt voor een langer tijdperk.

10. Op het einde van de vijf jaren voor welke eenig licentie gegeven is, en indien de Minister tevreden is dat de condities daarin vervat behoorlijk zijn volbracht, zal hij laten uitreiken aan de licentiehouder een schenking op het land gehouden en bewoond door hem op erfpacht tenure, onderworpen aan de condities vermeld in Sectie V. van Wet 15 van 1887, onderworpen aan betaling van vijftien jaarlijksche paaimenten, elk van het bedrag van een twintigste van de waarde van het land, tezamen met de waarde van de landmeting en andere onkosten die een eerste last zullen wezen op zulk land, en verzekerd worden door een verband ten gunste van het Gouvernement: Tenzij dat in geval het bewezen is geworden tot bevrediging van den Minister, die certificaten zal noodig hebben te dien effekte, dat de licentie houder na twee jaren van occupatie permanente verbeteringen gemaakt heeft op het land bewoond door hem onder zoodanige licentie ten minste van gelijke waarde van genoemde land, de Minister dan aan hem mag uitreiken een grondbrief op het land gehouden of bewoond door hem, onderworpen aan de betaling van zoo vele jaarlijksche paaimenten van een twintigste van de waarde van het land, tezamen met de waarde van de opmeting en andere onkosten, die zullen, tezamen met jaarlijksche paaimenten betaald door hem, in verband van de licentie van genoemde grond, de geheele waarde opmaken, en zulk jaarlijksche verschuldigde paaimenten zullen vast gezet worden door verband.

11. Indien eenig paaiment niet betaald zal wezen binnen drie maanden van den datum op welk het schuldig en betaalbaar is, zal een additioneele somma gelijkstaande aan een vierde deel daarvan bijgeteld worden als een boete, en zal, tezamen met het onbetaalde paaiment, inbaar wezen door gerechtelijke vervolging van het Gouvernement in eenig bevoegd Gerechtshof.

Deze plaatsen zullen geallotteerd worden op voorwaarde dat de Gelicentieerde niet vergund is gedurende den duur van zijne Licentie, eenig bosch hout of palen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

De Teekeningen en Licentie Akten kunnen gezien worden ten kantore van den Civielen Commissaris van Robertson, en ten kantore van den Landmeter-Generaal, Kaapstad.

Alle navragen om inlichting moeten geadresseerd worden aan den Landmeter-Generaal of aan den Civielen Commissaris van Robertson.

Te Elliotdale, in Tembuland, op Zaterdag, 24 November 1906.

Te Worcester, op Zaterdag, 1 December 1906.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Mit dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van den Resident Magistraat goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot de betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van excussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, zooals geamendeerd door artikels IV., V., en VI., van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Erven bij publieke veiling te koop aangeboden zullen worden om 10 uur v.m., voor de Kantoren van de respektievelijke Civiele Commissarissen op de datums vermeld, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en de algemeene koop-condities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Mit dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk perceel en van den Grondbrief, nam., 12s. 3d., zullen aan den Civielen Commissaris of andere ten dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

Indien de koopprijs £25 of meer is, is de kooper verplicht een verband te passeeren, gevende interest tegen vier per cent. per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingn zullen aan de Regeering vervallen.

IT is hereby notified, for general information, that His Excellency the Governor, with the advice of the Executive Council, has, in terms of Section 5 of Act No. 33 of 1906, been pleased to approve of the promulgation of the following regulations, viz.:—

REGULATIONS UNDER THE LOCAL AUTHORITIES RAILWAY CONTRIBUTIONS ACT, No. 33, 1906.

1. Whenever it becomes necessary for a "local authority" (within the meaning of the said Act) to hold a meeting for the purposes of the Act, the following regulations shall be complied with.

2. The local authority shall cause to be framed a public notice, stating the nature, extent, and purpose of the proposed contribution, the manner in which it is to be provided for and the place, day and hour fixed for holding the meeting, and notifying that the decision of the ratepayers and enrolled property owners will be taken at the meeting as required by the Act, and that the statement furnished by the Railway Department will be open to public inspection at the Office of the local authority from the date of the notice up to and including the date of the meeting and during the hours specified. Where a particular area will alone be affected, the fact shall be notified, and the area shall be clearly defined and described; and it shall be further notified that the meeting shall be confined to those alone entitled to decide upon the proposal in accordance with the said Act.

3. The said notice shall be published in a local newspaper, or other newspaper, circulating in the area of the authority, once weekly, for a period of not less than four consecutive weeks immediately preceding the advertised date of the meeting: and shall also be posted at the public offices of the local authority, and all other places where public notices are usually exhibited by the local authority.

4. Before holding the meeting, the local authority shall take such steps as may be necessary in order to exclude all persons from being present—with the exception of the press—who are not by law entitled to take part therein.

5. The meeting shall be presided over by the Mayor or Chairman of the local authority, or his general or special Deputy.

6. The meeting shall be opened with a statement by the Chairman fully explaining and setting out the scheme proposed by the local authority, and the Railway statement shall be read out and explained.

7. A minute shall be kept of the proceedings in a book to be provided for the purpose.

8. After full and free discussion, the scheme, as originally proposed or as amended at the meeting, as the case may be, shall be formally put to the vote of the meeting.

9. All questions, and the main question shall be decided by a show of hands.

10. If the scheme is approved of by a majority of those present, the fact shall be minuted; and thereupon the Chairman shall take such steps as may be necessary in order to secure the retirement from the meeting of all persons other than owners of property, whose names appear on the Valuation Roll entitled to vote.

11. The Chairman shall then submit the scheme to the meeting—consisting of the said owners only—and the question shall be put whether or not the scheme is approved and the names of all owners voting for and against respectively, shall be taken down in order that the local authority may decided whether the majority in value of owners are for or against the scheme; and the votes shall be taken by a show of hands, or in such other expeditious manner as the Chairman, with the consent of the meeting, may direct.

12. The minute shall be signed by the Chairman and Secretary, or official acting as Secretary for the purpose of the meeting and the lists of supporters and opposers of the scheme shall be similarly signed, after having been verified in such manner as the Chairman, with the consent of the meeting, may direct.

13. The meeting shall thereupon be closed; and the minutes and lists shall be placed in safe custody.

14. As soon as may be the local authority shall report to the Commissioner of Public Works on the result of the meeting, with full particulars of the scheme, if approved of in accordance with the Act.

KROON LANDEN VOOR UITKIEZING ONDER WET 40 VAN 1895.

IN termen van Artikel VII. van Wet 40 van 1895, wordt hiermede kennis gegeven voor algemeene informatie dat de ondergenoemde plaatsen gelegen in de Afdeeling Robertson, open zullen wezen voor uitzoeking van en na Zaterdag, den 10den dag van November 1906, op de wijze en bepalingen vervat in de gezegde Wet 40 van 1895, en hieronder voortgezet:—

1. Ieder aanzoek voor zulk land zal schriftelijk moeten gedaan worden, aan den Civielen Commissaris van de Divisie in welke zulk land gelegen is, die daarop zal noteren den dag waarop zulk aanzoek door hem ontvangen werd, en ze dan aan den Minister toezenden.

2. Voor het doel van deze Wet, zullen twee of meer aanzoeken ontvangen voor hetzelfde land op dezelfden dag na den datum vastgesteld in de kennisgeving genomen worden als te gelijkertijd gedaan, en alle aanzoeken gedaan voor den datum vastgesteld in de kennisgeving zullen behandeld worden alsof zij gedaan werden op den datum alzoo vastgesteld.

3. De Minister zal de landen voor welk alzoo aanzoek gedaan is allotteeren volgens de prioriteit van aanzoek, tenzij dat er twee of meer aanzoeken gedaan werden te gelijker tijd voor het zelfde land, dan zal het recht van prioriteit bepaald worden door loten.

4. Ieder aanzoeker voor land onder de provisies van deze Wet zal een declaratie maken, en dezelve bij zijn aanzoek voegen ten volgende effekte:—

Ik [A.B.] (voeg in occupatie), wonende te .....
in het Distrikt van ....., verklaar hiermede plechtiglijk en oprechtelijk dat ik een en twintig jaren oud ben en boven, dat ik deze tegenwoordige aanzoek doe voor geheel mijn eigen gebruik en voorrecht, en niet direkt of indirekt "voor het gebruik of voorrecht van eenig ander persoon hoegenaamd, dat ik niet de eigenaar ben van eenig land, dat ik geen schikking of toestemming gemaakt heb om eenig ander persoon te doen verkrijgen door kooping of anderszins, het land in verband met welke deze mijne aanzoek gemaakt is."

Onderteekening van Applikant.

[A.B.]

Verklaard voor mij, te ..... heden ..... dag van ..... 190.....

[C.D.]
Vrederechter.

5. Ieder applikant op den tijd wanneer aanzoek gedaan wordt zal bij den Civielen Commissaris van de Divisie in welke zulk land gelegen is deponeeren een somma gelijkstaande aan de een-twintigste deel der waarde van zoodanig land, en van de landmeting en andere onkosten in verband daarmede, en in geval dat hij verzuimt of weigert om het land te nemen, indien aan hen bedeelt, waarvoor aanzoek gedaan werd, zal de geheele somma absoluut verbeurd worden aan het Gouvernement: Tenzij dat in geval, het land waarvoor aanzoek gedaan is niet aan hem bedeeld wordt, het geld door hem gedeponeerd dadelijk terug zal betaald worden.

6. Aan eenig persoon die mondig is, kan land worden geallotteerd onder de provisies van deze Wet, maar geen persoon die de geregistreerde eigenaar is van eenig land binnen de Kolonie, en geen persoon die overeenkomst gemaakt heeft om eenig ander persoon toe te laten om te verkrijgen door kooping of anderszins, het land aldus voor aanzoek gedaan, zal het land bedeeld worden, en geen persoon mag meer dan een deel ontvangen volgens de kracht van uitzoeking onder deze Wet.

7. De Minister zal aan den eersten aanzoeker die voldaan zal hebben aan de bepaalde condities voor eenig land onder deze Wet, of in geval van twee of meer aanzoekingen voor hetzelfde land aan den aanzoeker bepaald door lot, een licentie geven om het land te houden voor welk aanzoek gedaan werd op de volgende voorwaarden en condities:—

(*a*) De licentie zal wezen voor vijf jaren, berekend van den aanstaanden eersten Juli, of eersten Januari volgende den datum van licentie, en zal insluiten het tijdperk tusschen den datum van licentie en zulk dag.

(*b*) De jaarlijksche betaling voor zoodanige licentie zal gelijkstaande wezen aan een-twintigste de prijs vastgesteld voor het land alzoo gehouden, tezamen met een-twintigste van de opmeting en andere onkosten op zoodanig land, en zal vooruit betaalbaar wezen.

(*c*) Het deposit betaald op den tijd van aanzoek zal in betaling wezen voor het bedrag betaalbaar op den aanstaanden eersten dag van Januari of Juli, zooals het geval is.

(*d*) Den persoon aan wien zulk licentie uitgereikt is zal, binnen zes maanden van de uitreiking van zijn Licentie, persoonlijk het land bewonen aan hem bedeeld en zal op zoodanig land blijven, voor een tijdperk van vijf jaren behalve als hierna bepaald of totdat hij een grondbrief ontvangen zal hebben voor zoodanig land.

8. Geen land gehouden onder de provisies van deze Wet mag worden getransporteerd gedurende den loop van de licentie genoemd in de clausule voorafgaand.

9. In geval van eenig verzuim gedurende den duur van de licentie om te voldoen aan de condities van occupatie, kan de Minister de licentie verklaren als geheel en al verbeurd, en het land in verband voor welk de licentie uitgereikt is zal naar het Gouvernement terug vallen: Mits dat indien het bewezen is geworden naar de voldoening van den Minister dat het verzuim om te bewonen werd veroorzaakt door droogte, mag hij zulk verzuim verontschuldigen maar zulke verontschuldiging zal niet gegeven worden voor een tijdperk van meer dan twaalf maanden, tenzij zulk droogte aanhoudt voor een langer tijdperk.

10. Op het einde van de vijf jaren voor welke eenig licentie gegeven is, en indien de Minister tevreden is dat de condities daarin vervat behoorlijk zijn volbracht, zal hij laten uitreiken aan de licentiehouder een schenking op het land gehouden en bewoond door hem op erfpacht tenure, onderworpen aan de condities vermeld in Sectie V. van Wet 15 van 1887, onderworpen aan betaling van vijftien jaarlijksche paaimenten, elk van het bedrag van een twintigste van de waarde van het land, tezamen met de waarde van de landmeting en andere onkosten die een eerste last zullen wezen op zulk land, en verzekerd worden door een verband ten gunste van het Gouvernement: Tenzij dat in geval het bewezen is geworden tot bevrediging van den Minister, die certificaten zal noodig hebben te dien effekte, dat de licentie houder na twee jaren van occupatie permanente verbeteringen gemaakt heeft op het land bewoond door hem onder zoodanige licentie ten minste van gelijke waarde van genoemde land, de Minister dan aan hem mag uitreiken een grondbrief op het land gehouden of bewoond door hem, onderworpen aan de betaling van zoo vele jaarlijksche paaimenten van een twintigste van de waarde van het land, tezamen met de waarde van de opmeting en andere onkosten, die zullen, tezamen met jaarlijksche paaimenten betaald door hem, in verband van de licentie van genoemde grond, de geheele waarde opmaken, en zulk jaarlijksche verschuldigde paaimenten zullen vast gezet worden door verband.

11. Indien eenig paaiment niet betaald zal wezen binnen drie maanden van den datum op welk het schuldig en betaalbaar is, zal een additioneele somma gelijkstaande aan een vierde deel daarvan bijgeteld worden als een boete, en zal, tezamen met het onbetaalde paaiment, inbaar wezen door gerechtelijke vervolging van het Gouvernement in eenig bevoegd Gerechtshof.

Deze plaatsen zullen geallotteerd worden op voorwaarde dat de Gelicentieerde niet vergund is gedurende den duur van zijne Licentie, eenig bosch hout of palen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

De Teekeningen en Licentie Akten kunnen gezien worden ten kantore van den Civielen Commissaris van Robertson, en ten kantore van den Landmeter-Generaal, Kaapstad.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

Schedule.

AMENDED REGULATIONS FOR ELECTION OF SCHOOL COMMITTEES.

(Framed in accordance with Section 42 of School Board Act No. 35 of 1905, and Section 6 of School Board Act Amendment Act No. 25 of 1906.)

1. Where an election of a Committee shall become necessary in accordance with the provisions of Sections 41 and 44 of the School Board Act, 1905, the School Board in whose District the school in question is situated, having fixed the number of members of such Committee, being not less than three nor more than seven, shall forthwith fix a time and place for a meeting of parents and guardians to elect a School Committee, and shall appoint and instruct a competent Election Officer who shall conduct the poll and be the Returning Officer. The person appointed shall not in any way be directly interested in the election. No teacher of the school concerned, no candidate, proposer or seconder of candidate shall be entitled to act in such capacity above mentioned.

2. The Election Officer shall give three weeks' notice of such meeting by fixing a notice, as in the Form (in English and Dutch) subjoined hereto, in a conspicuous place at the school. Further, where desirable and practicable, he may advertise the purpose, time and place of meeting in an English and in a Dutch newspaper circulating locally, and may also use such other means of publication as may be found expedient.

3. The meeting of parents and guardians having duly assembled at the appointed time, the Election Officer shall call for nominations; each nomination shall be by a proposer and seconder, both of whom shall be parents or guardians of pupils attending the school for which the Committee is being appointed. Nominations, when not made in person, shall be in writing, the signatures of the proposer and seconder being duly attested.

4. If the number nominated as members be equal to the number or less than the number to be elected by the parents or guardians, the Election Officer, having satisfied himself that the nominees and their proposers meet the requirements of the Act, shall at once declare the persons nominated to be duly elected, and report the names of the members so elected to the Secretary of the School Board; and in case of any dispute the matter shall be referred to the School Board for decision.

5. Should the number of members nominated fall below the number of members of the Committee previously determined upon by the Board, the Board shall at its next meeting appoint the number requisite to complete the Committee.

6. When the number of candidates is found to be greater than the number to be elected, the Election Officer shall call upon the duly qualified voters present to elect, by a show of hands, the requisite number of members from the persons duly nominated, and the result of such election by show of hands shall be held to be final, unless a poll be then and there demanded by or on behalf of any candidate.

7. In case a poll is demanded, the Election Officer shall at once fix a day for the election, which shall not be less than two and not more than three weeks after the day of nomination.

8. Where an election of members is thus necessary, the Election Officer shall, within one week of the day of nomination, post or deliver by hand a Voting Paper, as printed at the end hereof, to every parent or guardian eligible to vote at the election of a School Committee, in accordance with the provisions of Section 41 of the School Board Act, No. 35 of 1905, and a record of the names and addresses of the parents and guardians to whom such voting papers are sent shall be kept.

9. If a qualified voter shall lose or spoil or fail to receive his voting paper, the Election Officer may, on written application therefor, issue a second or further paper, record thereof being duly kept.

10. A parent or guardian whose name appears on the Admission Register of any school where an election of members of a School Committee is taking place shall only exercise a single vote for each of the members to be elected to the Committee, irrespective of the number of children of such parent or guardian attending the school.

11. Should a father be entered in the Admission Register as the parent or guardian of any child, and for the same household the mother's name should appear in the Register in respect of another child, the father alone shall vote at the election of the School Committee, but the mother alone shall have the right to vote in the case of any child or children of hers by a previous marriage, in respect of whom her name appears in the School Register as parent or guardian.

12. The Election Officer may call upon any parent or guardian for proofs of the particulars furnished in the additional statement appended to the Voting Paper, if he is not personally satisfied as to their accuracy.

13. No parent or guardian, who lives outside the three mile limit of the School District, owning or renting property for occupation in the School District, shall be held qualified to vote at the election of members of a School Committee unless such property is at all times throughout the year available for occupation by such parent or guardian; and provided also that the house in question is not otherwise regularly occupied by any person other than a caretaker.

14. The Voting Paper may be either posted to the Election Officer at his address, or may be handed in to him at the polling place.

15. No Voting Paper shall be received by the Election Officer later than 5 p.m. on the day of election, nor shall Voting Papers be received by post by the Election Officer later than 6 p.m. on such day; and the Election Officer shall, immediately or on the day following the election, as he thinks fit, scrutinise and count the Voting Papers submitted, in the presence, if desired, of the candidates or their duly nominated representatives, and communicate the results of the election to the Secretary of the School Board.

The completed Voting Papers, while in the hands of the Election Officer, shall be duly safeguarded, and their contents shall not be divulged to any person other than as provided in these Regulations.

16. At the time of the counting and scrutiny of the votes referred to in the preceding section, the Election Officer may require the attendance of the Principal of the School with the Admission Register, so that any doubtful points in regard to the voters may, if possible, be elucidated. Should there be a tie in the number of votes cast for any two or more candidates the Election Officer shall, if necessary, have lots drawn in his presence by the candidates concerned or their duly appointed representatives in order to decide the matter.

17. If the Election Officer shall see fit to reject any Voting Papers, the reason for such rejection shall be endorsed thereon, and they shall be specially set aside and forwarded to the Secretary of the School Board, together with all Voting Papers and election papers.

18. In case the results as declared by the Election Officer shall be disputed by any candidate, or exception taken by any person to the same or to the conduct of the election, such protest shall be made to the Secretary of the

School Board within one week of the date of the election, and the Board shall decide, and, if further objection be made, the matter may then be referred to the Superintendent-General of Education for his decision.

19. Casual vacancies caused through resignation or disqualification under Section 3 of these Regulations, or through non-attendance at five consecutive meetings without leave from the Committee being first had and obtained, shall be filled in the same manner as that adopted at the regular election, the member or members so elected serving for the remainder of term of office of the member or members in whose place they have been elected.

20. The first meeting of the School Committee shall take place within three weeks of the election, on a day and at a convenient place to be fixed by the School Board, and these details, together with the names of the members elected, shall be published by the Board in a notice to be fixed at the school concerned one week after the election shall have been reported, no protest having in the meantime been lodged. Further, the members elected shall be informed of their election by letter from the School Board, which shall also fix the date of the first meeting, and their names shall likewise be transmitted to the Department. Meetings thereafter shall take place at least every two months, the place and time of meeting being fixed by the Committee.

21. The Election Officer shall keep a full account of all expenditure incurred in the election, obtaining in all cases vouchers in duplicate, and such accounts must be rendered to the Secretary of the School Board for the area.

Now, therefore, under and by virtue of the powers vested in me by the provisions of Acts No. 9 of 1876 and 27 of 1893, and Clause 4 of the Regulations published by Proclamation No. 116, bearing date the 20th day of April, 1906, I do hereby proclaim, declare and make known that, whereas the disease known as African Coast Fever exists among cattle in the Colony of Natal, it shall not be lawful, from and after the date of promulgation hereof, and until this Proclamation be otherwise amended or repealed, to introduce or cause or allow any Cattle, animal produce or grass-hay to be introduced from the said Colony of Natal into this Colony, including the Territories of the Transkei, Tembuland, East Griqualand and Pondoland.

And I do hereby proclaim, and make known that any person who shall introduce or cause or allow such cattle, animal produce or grass-hay to be introduced, or permit such Cattle to stray into this Colony, or any of the Territories aforesaid, from Natal shall be deemed to be guilty of contravening the provisions of this Proclamation, and shall be liable to the penalties provided for such contravention by the said Acts Nos. 9 of 1876 and 27 of 1893 and Proclamation No. 116 of 1906, respectively; and that all such Cattle, animal produce or grass-hay as may enter this Colony or the said Territories from Natal in contravention of this Proclamation shall be liable to be destroyed.

And I do strictly charge every Resident Magistrate, Field-cornet, Justice of the Peace and Inspector of Native Locations to see that this Proclamation is obeyed, and to bring to justice any person who may contravene the same.

Proclamation No. 312, dated the 8th September, 1906, is hereby cancelled and repealed.

Cape Town, 2nd August, 1906.

AN Examination in the "Practice of Land Surveying" will be held at the respective Offices of the Surveyors-General of Cape Colony, Transvaal and Rhodesia, beginning on the second Monday in March next.

This Examination will be conducted by an Examination Board consisting of the Surveyors-General above-mentioned.

Candidates who have satisfied the Examiners in the subjects covered by the Examination will not be required to pass further tests in those subjects in Cape Colony, Transvaal or Rhodesia, but, before being admitted to practise their profession in any of these Colonies, may be required at the option of the Surveyor-General of that Colony to undergo a further examination in the laws and regulations appertaining to the survey, registration, alienation, and transfer of lands within such Colony.

The examination is divided into two parts. Before being admitted to Part II. every candidate will be required to lodge with the Surveyor-General to whom he makes application, a certificate to the satisfaction of the Board of Examiners that he has had not less than two years' experience in South Africa with a qualified Land Surveyor in the practice of Land Surveying.

Candidates desiring to be admitted to this examination must send in written applications to that effect to the Surveyor-General of either of the three Colonies.

In these applications candidates must state their full names, and must also forward the certificate of the University of the Cape of Good Hope of proficiency in the Theory of Land Surveying; they must further state definitely at which centre (Cape Town, Pretoria or Salisbury) they desire to sit for the examination.

An entrance fee of five guineas (£5 5s. 0d.) is payable in connection with the examination, and must be paid to whichever Surveyor-General the application is made on or before the 15th February, 1907.

N.B.—Candidates who have passed the Examination in the "Theory" prior to the date of this Notice, will be permitted to take Part II. of the Examination in the "Practice" in March next without having previously served for two years with a Government Land Surveyor, but it must be clearly understood that licences so obtained will not entitle the holders to practise in the Transvaal or Rhodesia. Intending candidates are strongly recommended to pass the full period in gaining experience both in office and field-work with Government Land Surveyors before qualifying.

In future Part II. of the Examination will be held as soon as convenient after Part I. in each year, and must be completed by the 30th June in that year.

10. The title deed will be subject to the following general conditions, and to such special conditions as may be considered expedient, viz. :—

(*a*) All roads and thoroughfare being or existing on the land, whether described in the diagram or not, shall remain free and uninterrupted; unless the same be closed or altered by competent authority.

(*b*) If at any time it should appear to the Governor upon petition of any adjacent or neighbouring proprietor that such adjacent or neighbouring proprietor requires a way or road of necessity to or from the land of such adjacent or neighbouring proprietor, the owner of land so granted, upon which such road is required, shall be bound to grant such way or road of necessity, and to point out the direction and width thereof : Provided that in case of a dispute or difference regarding such road, or its sufficiency, the direction and width of the road shall be decided upon by the Divisional Council of the Division in which the land is situated : Provided further that the said owner shall not be bound to allow such road or thoroughfare across land which shall at the time be in a state of cultivation or improvement, and that compensation for the right of way and any damage done shall be paid for by the person or persons for whose benefit and upon whose application the said road is made according to determination by arbitration.

(*c*) The Governor shall at all times have the right to make roads, railways, dams, aqueducts, drains, and to conduct telegraphs over the land for the benefit of the public, and to take materials for these purposes, also to establish convenient outspans for the use of travellers, on payment to the proprietors of such sum of money as compensation as may be determined by arbitration : Provided that the arbitrators may set off against the loss or damage caused to the proprietor, the benefit, instant or prospective, which he shall or may derive in consequence of the construction of any of the said works.

3. MINISTERIAL DIVISION OF SECRETARY FOR AGRICULTURE.

(*d*) The Governor shall at all times have the right of resuming the whole or a portion of the land hereby granted, if required for public purposes, on payment to the proprietor of such sum of money in compensation as may be mutually agreed upon by the parties concerned, or, failing such agreement, as may be determined by arbitration.

(*e*) All rights to gold, silver, and precious stones found or discovered at any time on or in the land so granted, shall be reserved to the Government conjointly with the Rhodesia Railways Ltd., together with a right of ingress to and egress from any mines or works undertaken for mining or prospecting purposes by any person or persons authorised by the Government. The further right shall be reserved to the Government acting with the said Company to resume proprietorship of any portion of such lands and of the water supply thereof as may be required for the convenient working of mines or works for gold, silver, or precious stones, on payment of such sums of money in compensation as may be mutually agreed upon by the parties concerned, or failing such agreement, as may be determined by arbitration.

11. If any instalment shall not be paid within three months of the date on which it is due and payable an additional sum equal to one-fourth part thereof, by way of penalty, shall be added thereto, and shall, together with the instalment overdue, be recoverable at the suit of the Government in any competent Court.

These farms will be allotted subject to the condition that the Licencee shall not be allowed during the continuance of his licence to cut down or destroy any forest timber, or poles growing upon the land, except as shall be reasonably necessary for domestic purposes, and for the beneficial occupation of the land, but not for sale.

The Government reserves the right:—

(1) *To enter upon the farms "Bulcote," "Bedale," "Cullendale," "Dingwall," "Dartmoor," "Elsmere," "Eildon," "Ettrick," "Hartnolls," "Lyndoch," "Langar," "Vengrove" and "Westfield," and to sink, for the public use and benefit, wells or boreholes within 300 yards of any existing road without compensation to the Proprietor except for improvement on land so entered upon.*

(2) *To reserve or resume in connection with any such well or borehole*:—
   (*a*) *An extent of land falling within a radius of 150 feet around such well or borehole; and*
   (*b*) *An approach thereto not exceeding 50 feet in width without compensation to the Proprietor, except for improvements on the land so reserved or resumed.*

The plans and form of Licence Deed may be seen at the Offices of the Civil Commissioners at Vryburg, Mafeking, Kimberley, East London, Port Elizabeth, Graham's Town, and Queenstown, and Resident Magistrate, Kuruman, respectively, and at the Surveyor-General's Office, Cape Town.

All enquiries should be addressed to the Surveyor-General or to the Civil Commissioner of Vryburg.

The Purchase Price in each case includes cost of Survey and other expenses, but it should be understood that the farms have as yet only been surveyed roughly by compass, and that before titles can be issued by the Government, in terms of Section 9 of this notice, a further survey will have to be made for which the Licensee will be called upon to pay any charges which may be incurred for survey, in excess of those already included in the purchase amount of the lots advertised.

The Government does not guarantee that the extent alleged to be contained in the farms advertised by this notice are correct, and will not hold itself liable for any shortage which may eventually be found to exist, neither does it guarantee that the corner beacons which were placed in the original compass survey are still standing nor undertake to indicate their positions.

A. H. CORNISH-BOWDEN,
Surveyor-General.

2. MINISTERIEELE AFDEELING VAN DEN KOLONIALEN SECRETARIS.

SCHOOL RAAD VERKIEZING KENNISGEVINGEN.

PROCLAMATIE

DOOR ZIJNE EXCELLENTIE DEN EDELEN SIR WALTER FRANCIS HELY-HUTCHINSON.

Ridder Groot Kruis van de hoogst onderscheiden Orde van St. Michael en St. George, Gouverneur en Opperbevelhebber van Zijner Majesteits Kolonie de Kaap de Goede Hoop, en van de grondgebieden en de aanhoorigheden daarvan, enz., enz., enz.

NADEMAAL bepaald is in het Twee-en-Veertigste Artikel van de Wet No. 35 van 1905, genaamd de "School Raden Wet, 1905," dat de Gouverneur gecorloofd is door Proclamatie Regulaties te maken en uit te geven voor het uitvoeren van de verkiezingen van Leden van School Comités en op de zelfde wijze op eenigen toekomstigen tijd eenige der voornoemde Regulaties te herroepen, amendeeren of veranderen, voor de doeleinden van de genoemde Wet:

Zoo is het derhalve dat ik, onder en krachtens de machten en het gezag mij verleend in genoemde Wet, mits deze proklameer, verklaar en bekend maak de navolgende Regulaties, zooals vermeld in de hierbijgevoegde Schedule, van volle kracht en werking te zijn van en na dezen datum, in plaats van de Regulaties vervat in de Schedule tot Proclamatie No. 295 van 1905.

GOD BEHOEDE DEN KONING!

Gegeven onder mijne handteekening en het publieke zegel van de Kaap de Goede Hoop, dezen 24sten October 1906.

WALTER HELY-HUTCHINSON,
Gouverneur.

Op last van Zijne Excellentie den Gouverneur in Rade,

C. P. CREWE.

No. 395.* 1906.

Schedule.

GEAMENDEERDE REGULATIES VOOR HET VERKIEZEN VAN SCHOOL COMITES (OPGEMAAKT OVEREENKOMSTIG ARTIKEL 42 VAN DE SCHOOL RAAD WET No. 35 VAN 1905 EN ARTIKEL 6 VAN SCHOOL RAAD WET AMENDEMENT WET No. 25 VAN 1906).

1. Waar eene verkiezing van een Comité noodig zal worden overeenkomstig de bepalingen van Secties 41 en 44 van de School Raden Wet, 1905, zal de School Raad in welks Distrikt de School in kwestie is gelegen, na het aantal leden van zoodanig Comité vastgesteld te hebben, zijnde niet minder dan drie of meer dan zeven, onmiddellijk een tijd en plaats bepalen voor eene vergadering van ouders en voogden om een School Comité te kiezen, en moet een bekwame Verkiezings Beambte benoemen en last geven, die de verkiezing zal leiden en de Verslaggevende Beambte zal zijn. De aangestelde persoon mag in geene wijze direkt belang hebben bij de verkiezing. Geen onderwijzer van de betreffende school, geen kandidaat, voorsteller of secondeerder van een kandidaat is gecorloofd bovengenoemde betrekking waar te nemen.

2. De Verkiezings Beambte moet drie weken kennisgeven van zoodanige vergadering door eene kennisgeving vast te plakken, zooals vermeld is in den vorm hierbijgevoegd (in het Engelsch en Hollandsch), op eene in het oog vallende plek aan de School. Verder mag hij, waar het wenschelijk en doenlijk is, het doel, den tijd en plek van vergadering bekend maken in eene Engelsche en in een Hollandsche Courant plaatselijk circuleerende, en kan ook zoodanige andere middelen van publicatie gebruiken als noodzakelijk zullen gevonden worden.

3. De vergadering van ouders en voogden behoorlijk bijeengekomen zijnde op den bepaalden tijd, zal de Verkiezings Beambte om nominaties vragen; iedere nominatie zal worden gemaakt door een voorsteller en secondeerder, beide waarvan ouders of voogden zijn van leerlingen die de school bezoeken waarvoor het Comité wordt aangesteld. Nominaties niet in persoon gemaakt zullen in geschrifte zijn, en de handteekeningen van den voorsteller en secondeerder moeten behoorlijk geattesteerd worden.

4. Als het aantal genomineerd tot leden even groot is als het aantal of minder dan het aantal te worden gekozen door de ouders of voogden, dan zal de Verkiezings Beambte na zich overtuigd te hebben dat de genomineerden en hunne voorstellers voldoen aan de vereischten der Wet, de genomineerde personen onmiddellijk behoorlijk verkozen verklaren, en de namen van de leden aldus gekozen rapporteeren aan den Secretaris van den School Raad; en in geval van eenig dispuut zal de zaak worden verwezen naar den School Raad voor beslissing.

5. Zoo het aantal leden genomineerd minder is dan het aantal leden van het Comité tevoren bepaald door den Raad, zal de Raad op de volgende vergadering het aantal benoemen noodig om het Comité voltallig te maken.

6. Wanneer het aantal kandidaten gevonden is grooter te zijn dan het aantal te worden gekozen, zal de Verkiezings Beambte de behoorlijk gekwalificeerde kiezers tegenwoordig oproepen om door het opsteken van handen het benoodigde aantal leden te kiezen uit de personen behoorlijk genomineerd, en het resultaat van zoodanige verkiezing door handen opsteken zal genomen worden finaal te zijn, tenzij eene stemming dan en daar gevraagd wordt door of ten behoeve van een kandidaat.

7. In geval eene stemming wordt verlangd, moet de Verkiezings Beambte dadelijk een dag voor de stemming bepalen, welke niet minder zal zijn dan twee en niet meer dan drie weken na den datum van nominatie.

8. Waar een verkiezing van leden aldus noodig is, zal de Verkiezings Beambte, binnen één week van den dag van nominatie een stembriefje door de post zenden of overhandigen, zooals gedrukt aan het einde hiervan, aan iederen ouder of voogd die kan stemmen bij de verkiezing van een School Comité overeenkomstig de bepalingen van Sectie 41 van de School Raden Wet, No. 35 van 1905, en eene lijst zal worden gehouden van de namen en adressen van de ouders en voogden aan wien zoodanige stembriefjes zijn afgegeven.

9. Indien een bekwame kiezer zijn stembriefje verliest of bederft of niet ontvangt, kan de Verkiezings Beambte, na daartoe schriftelijk om gevraagd te zijn, een tweede of verder briefje geven, waarvan behoorlijke rekening zal worden gehouden.

10. Een ouder of voogd wiens naam voorkomt op het Toelatings Register van een School waar eene verkiezing van leden van School Comité plaats heeft, zal slechts één enkele stem mogen geven aan ieder der leden te worden gekozen op het Comité, onafhankelijk van het aantal kinderen van zoodanigen ouder of voogd die de School bezoeken.

11. Indien een vader opgeschreven staat in het Toelatings Register als de ouder of voogd van een kind, en voor de zelfde huis de naam der moeder ook op het Register staat voor een ander kind, dan zal de vader alleen stemmen op de verkiezing van het School Comité, maar de moeder alleen zal het recht hebben te stemmen in het geval van een kind of kinderen van haar bij een vorig huwelijk, met betrekking tot welke haar naam verschijnt op het School Register als ouder of voogdesse.

12. De Verkiezings Beambte kan eenigen ouder of voogd om bewijzen vragen van de bijzonderheden gegeven in de additioneele opgave gevoegd bij het stembriefje, indien hij niet persoonlijk overtuigd is van de nauwkeurigheid.

13. Geen ouder of voogd wonende buiten de drie-mijl grens van het School Distrikt die eigendom bezit of huurt voor bewoning in het School Distrikt, zal bekwaam gehouden worden te stemmen bij de verkiezing van leden van een School Comité, tenzij zoodanig eigendom ten allen tijde het jaar door beschikbaar is om te worden bewoond door zoodanigen ouder of voogd, en mits ook dat het huis in kwestie niet anders geregeld wordt bewoond door iemand andere dan een oppasser.

14. Het stembriefje kan òf door de post gezonden worden aan den Verkiezings Beambte naar zijn adres of aan hem overhandigd worden op de stemplek.

2. MINISTERIEELE AFDEELING VAN DEN KOLONIALEN SECRETARIS.

15. Geen stembriefjes zullen worden ontvangen door den Verkiezings Beambte later dan 5 uur n.m. op den dag der verkiezing; evenmin zullen stembriefjes per post door den Verkiezings Beambte ontvangen worden later dan 6 n.m. op zoodanigen dag; en de Verkiezings Beambte zal, onmiddellijk of op den dag volgende de verkiezing, zooals hij goed dunkt, de ingeleverde stembriefjes onderzoeken en tellen, in tegenwoordigheid, indien verlangd, van de kandidaten of hunne behoorlijk genomineerde vertegenwoordigers, en het resultaat der verkiezing mede deelen aan den Secretaris van den School Raad.

De ingevulde stembriefjes zullen terwijl zij in de handen zijn van den Verkiezings Beambte behoorlijk worden bewaard, en hun inhoud zal niet worden bekend gemaakt aan iemand anders dan bepaald is in deze Regulaties.

16. Ten tijde van het tellen en onderzoeken van de stemmen vermeld in het vorige artikel kan de Verkiezings Beambte de tegenwoordigheid verlangen van het Hoofd der School met het Toelatings Register, zoodat eenige twijfelachtige punten met betrekking tot de kiezers, zoo mogelijk, kunnen worden opgehelderd. Zoo het aantal stemmen aan twee of meer kandidaten gelijk is, zal de Verkiezings Beambte, indien noodig, laten loten in zijn tegenwoordigheid door de kandidaten betroffen of hunne behoorlijk benoemde vertegenwoordigers ten einde de zaak te beslissen.

17. Indien de Verkiezings Beambte het goeddunkt eenige stembriefjes te verwerpen, zal de reden voor zoodanige verwerpen daarop worden geendosseerd, en zij zullen speciaal terzijde gelegd en gezonden worden aan den Secretaris van den School Raad, tezamen met alle stembriefjes en Verkiezings papieren.

18. In geval de uitslag zooals verklaard door den Verkiezings Beambte wordt betwist door een kandidaat, of daartegen door eenig persoon aanmerking worden gemaakt of tegen de leiding der verkiezing, zal geprotesteerd worden aan den Secretaris van den School Raad binnen eene week van den datum der verkiezing, en de Raad zal beslissen en indien verdere objectie wordt gemaakt, kan de zaak dan verwezen worden naar den Superintendent-Generaal van Onderwijs voor zijne beslissing.

19. Toevallige vakaturen ontstaan door aftreden of onbekwaam worden, onder Sectie 3 dezer Regulaties, of wegens het niet verschijnen op vijf opeenvolgende vergaderingen zonder de toestemming van het Comité vooraf is verkregen, zullen worden gevuld op dezelfde wijze als vastgesteld voor de geregelde verkiezing, het lid of leden aldus gekozen diehende voor het onafgeloopen ambts tijdperk van het lid of leden in wier plaats zij zijn gekozen geworden.

20. De eerste vergadering van het School Comité zal plaats hebben binnen drie weken van de verkiezing op een dag en op eene geriefelijke plek te worden bepaald door den School Raad, en deze bijzonderheden tezamen met de namen van de leden verkozen zullen worden gepubliceerd door den Raad in eene kennisgeving te worden opgeplakt aan de betrokken school éene week na de verkiezing is gerapporteerd geworden, geen protest intusschen ontvangen zijnde. Verder zullen de gekozen leden in kennis gesteld worden van hunne verkiezing door brief van den School Raad, welke ook den datum zal bepalen van de eerste vergadering, en hunne namen zullen ook worden gezonden aan het Departement. Vergaderingen zullen daarna minstens iedere twee maanden plaats hebben de plek en tijd van bijeenkomst wordende door het Comité bepaald.

21. De Verkiezings Beambte moet eene volledige reken ing houden van alle uitgaven beloopen bij de verkiezing, nemende in alle gevallen duplikaat rekeningen, en zoodanige rekeningen moeten worden gezonden naar den Secretaris van den School Raad voor het area.

Landmeter-Generaals Kantoor,
Kaapstad, 31 October, 1906.

OVEREENKOMSTIG artikel 4, Wet 26 van 1891, als verder bekrachtigd door Wet 18 van 1897, wordt hiermede kennis gegeven dat de volgende stukken Kroonland, gelegen in de Afdeeling Kenhardt, bij publieke opbod, te huur aangeboden worden zullen voor het kantoor van den Civielen Commissaris te Kenhardt, om 10 uur 's voormiddags, op Vrijdag, den 18 Januari 1907, onderhevig aan de Voorwaarden en Bepalingen hierna te worden genoemd, en verder aan zulke condities als op den verkoopdag mogen vermeld worden.

De grond zal voor een termijn van niet minder dan een jaar en niet meer dan vijf jaren aan den hoogsten bieder verpacht worden.

De algemeene voorwaarden van de verpachting zijn als volgt:—

1. Een jaar huur zal den Civielen Commissaris op den dag der verpachting betaald worden, en als de pachttijd meer dan een jaar zal zijn, zal de gereedelijke betaling van de huursom vooruit voor het volgende jaar of de volgende jaren door goedgekeurde borgen verzekerd worden: mits echter dat de Civiele Commissaris twee jaar huur vooruit mag ontvangen, in welk geval genoemde borgstelling niet noodig is.

2 De Regeering behoudt het recht de pacht te eindigen, mocht het dienstig geacht worden den grond te verkoopen of andere omstandigheden het te eeniger tijd noodig of dienstig maken, op twee maanden kennisgeving; en in zulk een geval zal de huur, betaald voor een nog niet afgeloopen deel van het loopende jaar, aan den huurder terugbetaald worden.

3. Gouvernements landmeters, bezig met het opmeten van Kroon of anderen grond met hunne assistenten en bedienden, zullen ter alle tijde recht van toegang hebben, tot alle deelen van den verhuurden grond voor professioneele doeleinden en het recht om eenig deel van het land te gebruiken en hun vee en paarden te weiden op alle weiden en water te geven uit alle waters.

4. Alle wegen over het gepachte land mogen door het publiek als vee paden (trekpaden) worden gebruikt ter breedte van 200 yards aan iederen kant van zoodanigen weg.

5. Het reizende publiek zal het recht hebben uit te spannen langs eenigen weg loopende over land aldus gepacht.

6. Het recht om te zoeken en graven naar erts, metalen, delfstoffen, of edelgesteenten is aan de Regeering of aan alle door haar gemachtigde personen voorbehouden, behalve in zoo ver als zulk recht de rechten en privilegien van gezegde huurders ten opzichte van edelgesteente en delfstoffen moge beperken, als bepaald bij eenige wet te dien opzichte.

7. De Regeering neemt niet op zich eenige baken aan te wijzen. De beschrijving van het stuk grond zal op den pachtdag gegeven worden, en de huurder zal daarop verwacht worden de uitgestrektheid van het door hem gehuurde land te vinden.

8. De pachter heeft geen vrijheid boomen kreupel hout of rijshout te hakken of te vernietigen op het gepachte land behalve zooveel als hij redelijk noodig heeft voor eigen gebruik.

9. De huurder zal bij het vervallen of anderszins eindigen van den huur, geen aanspraak hebben op eenige vergoeding voor verbeteringen aangebracht gedurende den huurtijd, maar deze zullen het eigendom der Regeering worden.

10. De huurder zal alle bestaande verbeteringen op den grond gedurende den huurtijd in goeden staat moeten houden en die in goeden staat afleveren, maar zal niet gerechtigd zijn tot eenige vergoeding daarvoor.

11. De huurder zal den grond of eenig deel daarvan niet onder verhuren, of eenige gebouwen daarop, zonder dat eerst de schriftelijke vergunning de Regeering verkregen is.

12. De huurder zal zijn pacht geheel en volstrekt verliezen op het breken van eenige hem bindende voorwaarde.

13. De Regeering behoudt zichzelve het recht voor om het aantal personen te beperken, die op den hierbij verhuurden grond mogen wonen gedurende het bestaan van de pacht, en om, op aanbeveling van den Afdeelingsraad na behoorlijk onderzoek ingesteld met medeweten van den huurder, hetzij zoodanig aantal personen te verwijderen als zij te veel moge oordeelen, of de pacht nietig te verklaren als haar billijk onder de omstandigheden moge voorkomen.

14. Het bewonen van grond onder deze huur zal niet beschouwd worden *bona-fide* occupatie te zijn onder de bepalingen en voor de doeleinden van artikel 20 van Wet No. 40 van 1895.

15. *De Pachter zal geen recht hebben om wilde struisvogels te dooden, vangen, jagen of verwonden of de eiers te nemen, weg te halen, of te verstoren behalve onder eene licentie uitgegeven onder Wet* 35 *van* 1889 *of zoodanige dergelijke Wet.*

16. Het Gouvernement behoudt zich het recht wanneer het noodig wordt gevonden, om een Politie Station op te richten op het land mits deze verpacht met vrij grazen en water voor Politie Paarden.

Andere voorwaarden mogen op den koopdag genoemd worden.

De zegels die volgens Wet 20 van 1884, aan het huur kontrakt moeten gehecht worden, zullen vrij van onkosten door de Regeering aan den huurder verschaft worden.

Landmeter-Generaal.

6. MINISTERIEELE AFDEELING VAN SECRETARIS VOOR LANDBOUW.

[1198.] [1906.]

Landmeter-Generaals Kantoor,
Kaapstad, 19 September 1906.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, zooals geamendeerd door artikels IV., V., en VI., van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Erven bij publieke veiling te koop aangeboden zullen worden om 10 uur v.m., voor de Kantoren van de respektievelijke Resident Magistraten op de datums vermeld, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en de algemeene koop-condities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Te Libode, West Pondoland, op Zaterdag, 24 November 1906.

Te Elliotdale, in Tembuland, op Zaterdag, 24 November 1906.

Te Worcester, op Zaterdag, 1 December 1906.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Mit dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van den Resident Magistraat goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot de betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van excussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk perceel en van den Grondbrief, nam., 12s. 3d., zullen aan den Resident Magistraat of andere ten dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

Indien de koopprijs £25 of meer is, is de kooper verplicht een verband te passeeren, gevende interest tegen vier per cent. per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

De Kaarten en Condities van Verkooping kunnen ge zien worden ten kantore van den Landmeter-Generaal, Kaapstad, en ten kantore van de respektievelijke Resident Magistraten.

1. PRIME MINISTER'S MINISTERIAL DIVISION.

[1403.] [1906.]

Prime Minister's Office,

Cape Town, 12th November, 1906.

THE subjoined despatch received from the Right Honourable the Secretary of State for the Colonies is hereby published (with enclosures) for general information.

J. D. CORMACK,

Actg. Secretary to the Prime Minister.

Cape of Good Hope.
No. 147.

Downing Street,
18th October, 1906.

SIR,—I have the honour to transmit, for your Ministers' information, a copy of a letter from the British South Africa Company (B.S.A.Co., 11th October), forwarding a communication from Mr. A. C. MADAN on the subject of the inter-relation of African languages.

2. I should be glad if your Ministers would cause such publicity as is possible to be given to Mr. MADAN'S wishes.

I have the honour to be,

Sir,

Your most obedient humble servant,

(Signed) ELGIN.

Governor,

The Honourable

Sir W. HELY-HUTCHINSON, G.C.M.G.,

etc., etc., etc.

2, London Wall Buildings, E.C.,
London, 11th October, 1906.

SIR,—I am directed to invite your attention to the enclosed copy of a letter from Mr. A. C. MADAN on the subject of native languages in Africa, which is being sent to the British Press and the learned Societies.

Mr. MADAN, who has spent more than a quarter of a century in the study of the various native dialects, and who is the author of several works on the Bantu and kindred languages, is anxious to get into touch with people who are actually at work in all parts of Africa, and my Directors would be greatly obliged if the Secretary of State would be pleased to bring the matter to the notice of the Administrators of the Colonies in Africa under his control with a view to obtaining their assistance in Mr. MADAN'S work by causing publicity to be given to his letter through the medium of the local newspapers and journals, or in such manner as may seem most desirable.

I am, etc.,

(Signed) A .P. MILLAR,
Assistant Secretary.

The Under Secretary of State,
Colonial Office,
S.W.

AFRICAN LANGUAGES.

SIR,—The importance of language in relation to political and social aspects of the native question in Africa seems to be liable to be overlooked. The possibility of large groups of tribes, hitherto distinct and mutually antagonistic, becoming rapidly able and eager to understand each other in some common form of speech has apparently to be taken into account.

1. PRIME MINISTER'S MINISTERIAL DIVISION.

Twenty-six years' contact with Swahili and various dialects of Eastern and Central Africa points so far to the conclusion that there is a remarkable degree of similarity, amounting in many important respects to substantial identity, in the grammatical structure of language over the whole vast area occupied by the Bantu races of Africa, from the Soudan to the Cape. And the stock of words common to all Bantu tribes, when recognised under their various dialectic disguises, will probably prove very considerable.

The Officials, Missionaries, Traders, Settlers and Travellers, of various nationalities, who are qualified to give help in testing this conclusion by personal and first-hand study of a Bantu dialect are naturally difficult to reach—scattered in remote and often isolated spheres of work. It is, therefore, perhaps justifiable to ask publicity for the request, that persons so qualified and willing to accept and reply to a brief communication on the subject would send me their addresses at Fort Jameson, North-Eastern Rhodesia. I should be grateful if foreign journals and local papers in Africa, general and official, would assist by calling attention to my invitation.

I am, etc.,

(Signed) A. C. MADAN
(Student of Christ Church, Oxford).

67. Every dwelling or public building situated within the Municipality of Barkly East shall, within thirty days after receipt of written notice in that behalf from the Town Clerk or other authorised officer of the said Municipality, be provided by the owner thereof with a suitable and enclosed privy, constructed to the satisfaction of the Council or its officers, and provided with a proper seat and pail door so arranged as to give easy access for the purpose of removal and replacement of the regulation pail hereinafter mentioned, and every such seat shall be fixed so as to have its under surface within one inch of the top of such pail when such pail is in its place, and shall be fitted on the under surface with proper cleats so as to retain such pail in its place immediately below the hole in such seat, and the diameter of such hole shall not exceed the diameter of the rim of the pail. Provided, however, the Council may in its discretion, in manner hereinafter set forth, allow a privy in existence at the date of the promulgation of these bye-laws to be altered or modified, if necessary, so as to comply with the requirements of this regulation.

68. The owner, as aforesaid, shall provide each privy with at least one regulation pail, to be supplied by or on behalf of the Council, for which a charge of seven shillings and sixpence (7/6) sterling each shall be made, such charge to be payable to the Council by the owner aforesaid, and the Council shall renew such pails from time to time when the same become worn out by fair usage, for which an annual charge not exceeding two shillings and sixpence sterling per annum per pail may be made by the Council. Provided, however, that should any such pail be wilfully damaged, destroyed or rendered useless by the owner or occupier, or through his neglect, then and in that case the said owner or occupier, as the case may be, shall be compelled to pay for a new pail at the rate aforesaid.

69. No privy shall, after the promulgation of these bye-laws, be erected or built fronting a street, road or thoroughfare, or exposed to public view, and all existing privies fronting or abutting on a street, road or thoroughfare, and privies that are unsightly and exposed to public view, shall by the owner be either removed to a new site or satisfactorily enclosed within thirty days after notice to the said owner to that effect from the Town Clerk or other authorised officer of the Council.

70. From and after the expiration of the period limited for doing the works required under these regulations, it shall not be lawful for any owner, occupier or other person to have or to use any privy which has not been constructed in accordance with the requirements of these bye-laws, or which being a privy in existence at the date of such promulgation has not been passed as sufficiently and duly altered or modified in accordance with the terms of a resolution of the Council sanctioning its continuance.

71. The occupier of every dwelling or public building shall cause the privy to be kept in a state of cleanliness and shall not put or allow to be put into such pail as aforesaid any matter other than nightsoil or urine as well as disinfectant and deodorising substance of a non-corrosive nature.

IN terms of Section II, Act No. 15 of 1887, as amended by Sections IV, V and VI of Act No. 40 of 1895, it is hereby notified for general information that the following erven will be offered for sale, by Public Auction, in front of the Offices of the respective Civil Commissioners, at 10 o'clock a.m., on the dates specified subject to the conditions and stipulations in the above Act, and in the General Conditions of Sale set forth, and further to such Conditions as may be declared on the day of Sale.

AT HERSCHEL, on Saturday, 8th December, 1906.

AT QUEENSTOWN, on Saturday, 22nd December, 1906.

Each Lot will be put up at the upset price fixed, and the highest bidder who shall have offered not less than such upset price shall be declared the purchaser, and every such purchaser shall have the option of paying either the whole or a part of the purchase money on the day of sale: Provided:

(i) That if no payment be made on the day of sale one-tenth of the purchase price shall be paid at six and one-tenth at twelve months from the day of sale.

(ii) That if less than one-tenth of the purchase price be paid on the day of sale, the balance of such one-tenth shall be paid at the expiration of six months, and the remaining one-tenth at the expiration of twelve months from the day of sale.

(iii) That if the amount paid on the day of sale be one-tenth or any sum between one-tenth and one-fifth of the purchase price, the balance of one-fifth of the purchase price shall be paid at the expiration of twelve months from the day of sale.

(iv) In cases where the purchase-money is less than twenty-five pounds, the whole amount shall be paid in cash, or in equal instalments extending over a period of three years.

Interest on the instalments above mentioned shall be paid at the rate of four per centum per annum; and the payments of the instalments, together with the interest thereon, shall be secured on the day of sale by two good and sufficient sureties to the satisfaction of the Civil Commissioner, which sureties will bind themselves in regard to such payments as sureties *in solidum* and co-principal debtors, renouncing the exceptions of excussion and division.

If the purchaser or his sureties fail, or are unable to make the necessary payments of purchase money as above within the stipulated time, it shall be competent for the Government to cancel the sale, and all payments already made in respect of such sale shall be forfeited to the Government.

The expenses of Survey on each Lot and of the Title Deed (viz., 12s. 3d.) shall be paid to the Civil Commissioner, or other duly authorised person in that behalf on the day of sale.

In the event of the purchase price being £25 or more, the purchaser shall be bound to pass a mortgage bond bearing interest at the rate of four per centum per annum in favour of the Government for four-fifths of the purchase price, unless he shall have paid on the day of sale more than one-fifth thereof, in which case the amount of the bond shall be for the balance of the purchase price, the purchaser having the right to pay off the bond or any portion thereof, not being less than fifty pounds at any time.

If the purchaser be desirous of holding the balance of the purchase money on mortgage as above, he will be required to pass the Bond within thirteen (13) calendar months from the day of sale, failing which, a fine of one shilling will be imposed for every day allowed to pass beyond it, up to eighteen months from the date of sale, after which, should such failure still continue, the balance of the purchase money, with interest thereon, and the amount of the fine, if any, so imposed, shall forthwith become due and payable, and shall be recoverable in any competent court of law without further notice, and if not paid within one month after the date of judgment, the sale shall become null and void, and payments already made in respect thereof shall be forfeited to the Government.

Te Herschel, op Zaterdag, 8 December 1906.
Te Queenstown, op Zaterdag, 22 December 1906.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Mit dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk perceel en van den Grondbrief, nam., 12s. 3d., zullen aan den Civielen Commissaris of andere ten dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

Indien de koopprijs £25 of meer is, is de kooper verplicht een verband te passeeren, gevende interest tegen vier per cent. per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

10. De grondbrief zal onderworpen zijn aan de volgende algemeene voorwaarden en aan zoodanige speciale voorwaarden als noodig zullen worden geacht, nam. :—

(*c*) De Gouverneur zal ten allen tijde het recht hebben wegen, spoorwegen, dammen, aquedukten, rioolen, te maken en telegraaflijnen te bouwen over het land voor het algemeen nut, en materialen te nemen voor deze doeleinden, ook geriefelijke uitspanningen aanleggen voor het gebruik van reizigers, tegen betaling aan de eigenaars van zoodanige som geld als schadevergoeding als door arbitrage zal worden bepaald: Mits dat de scheidsrechters in aanmerking zullen nemen bij het bepalen van het verlies of schade veroorzaakt aan den eigenaar, het voordeel terstond of in de toekomst, dat hij zal ontvangen wegens het aanleggen van genoemde werken.

(*d*) De Gouverneur zal op alle tijden het recht hebben het geheel of een deel van het land mits deze geschonken terug te nemen indien noodig voor publieke doeleinden, tegen betaling aan den eigenaar van zoodanige som geld als schadevergoeding als onderling zal worden overeengekomen door de betreffende partijen of bij gebreke van zoodanige overeenkomst als bepaald wordt door arbitrage.

(*e*) Alle rechten op goud, zilver en edelgesteenten gevonden of ontdekt ten eenigen tijde op of in het land aldus geschonken, zullen worden gereserveerd aan het Gouvernement gezamenlijk met de Rhodesia Spoorwegen, Beperkt, tezamen met een recht van toegang tot een uitgang van eenige mijnen of werken onderworpen voor mijn of prospecteer doeleinden door eenig persoon of personen gemachtigd door het Gouvernement. Het verdere recht zal worden gereserveerd aan het Gouvernement handelende met de genoemde Maatschappij om weder het eigendomrecht terug te nemen van eenig deel van zoodanige landen en van den watervoorraad daarvan als noodig is voor het geriefelijk werken van mijnen of werken voor goud, zilver, of edelgesteenten, tegen betaling van zoodanige sommen geld als schadevergoeding als onderling zal worden overeengekomen door de betroffen partijen of bij gebreke van overeenkomst, als zal worden bepaald door arbitrage.

11. Indien eenig paaiement niet betaald is binnen drie maanden op den datum op welk het schuldig en betaalbaar is, zal een additioneele som gelijkstaande aan een vierde deel daarvan bijgeteld worden, als een boete, en zal, tezamen met het onbetaalde paaiement, inbaar zijn door gerechtelijke vervolging van de Gouvernement in eenig bevoegd Gerechtshof.

Deze plaatsen zullen geallotteerd worden op voorwaarde dat de Gelicentieerde niet vergund is gedurende den duur van zijne Licentie, eenig bosch hout of boomen groeiende op het land te hakken of te vernielen, behalve zooveel als redelijk noodig is voor eigen gebruik, en voor de voordeelige occupatie van het land, doch niet om te verkoopen.

Het Gouvernement behoudt het recht:—

(1) *Om op de plaatsen "Bulcote," "Bedale," "Cullendale," "Dingwall," "Dartmoor," "Elsmere," "Eildon," "Ettrick," "Hartnolls," "Lyndoch," "Langar," "Vengrove" en "Westfield," te gaan, en voor het publiek gebruik en nut, putten of boorgaten te graven binnen 300 yards van eenigen bestaanden weg zonder schadevergoeding aan den eigenaar, behalve voor verbetering aan het land waarop aldus wordt gegaan.*

(2) *Te reserveeren of terug te nemen in verband met eenig zoodanige put of boorgat—*

(*a*) *Een stuk land vallende binnen een straal van 150 voet om zoodanige put of boorgaat; en*

(*b*) *Een toegangspad daarheen niet meer dan 50 voet breed, zonder vergoeding aan den eigenaar, behalve voor verbeteringen aan het land aldus gereserveerd of weder in bezit genomen.*

Alle verzoeken om inlichtingen moeten geadresseerd worden aan den Landmeter-Generaal of aan den Civielen Commissaris van Vryburg.

De Koopprijs in ieder geval sluit in Opmetings en andere onkosten, maar het moet begrepen worden dat de plaatsen nog maar ruw opgemeten zijn met kompas, en dat vóór grondbrieven kunnen worden uitgegeven door het Gouvernement, overeenkomstig Sectie 9 van deze kennisgeving, eene verdere opmeting moet worden gemaakt waarvoor de gelicentieerde de beloopen onkosten moet betalen, behalve die welke reeds in de koopprijs van de perceelen zijn inbegrepen als geadverteerd.

Het Gouvernement geefte geen waarborg dat de grootte die verondersteld wordt te zijn vervat in de plaatsen geadverteerd in deze kennisgeving juist is, en houdt zich niet aansprakelijk voor eenig tekort dat gevonden moge worden te bestaan, evenmin waarborgt het dat de hoek bakens die geplaatst werden in de oorspronkelijke kompas opmeting nog staan, en neemt ook niet op zich om dezelve aan te wijzen.

2. COLONIAL SECRETARY'S MINISTERIAL DIVISION.

[1432.] [1906.]

Colonial Secretary's Office,
Cape Town, 21st November, 1906.

THE following summary of the Report of the Government Labour Bureau for the month of October, 1906, is published for general information.

NOEL JANISCH,
Under Colonial Secretary.

REPORT FOR THE MONTH OF OCTOBER, 1906.

The direct demand through the Bureau was 102, as compared with 95 for the preceding month. In addition to the above there was a varying demand for casual labourers and stone-breakers, but all things considered it may be said that labour conditions remain practically unaltered since September, and there are few signs of the increased activity which, as a rule, is noticeable on the approach of summer.

The number of men sent to definite work was 123, made up as follows:—Artizans, 31; clerks, salesmen, canvassers, etc., 2; labourers (European and coloured), 71; overseers, gangers, etc., 2; servants (indoor and outdoor), 16; warders, constables and attendants, 1; Total, 123. The proportion of unskilled labourers provided with employment is still high as compared with other occupations. Positions involving more or less responsibility such as clerks, bookkeepers, caretakers, overseers, timekeepers, salesmen and even watchmen, are almost unobtainable, either through the medium of the Bureau or the Public Press; and artizans experience a similar difficulty—although in a less degree—in securing suitable employment. Notwithstanding that so many of the latter class have left the Colony, competition is still very keen, and many men are content to engage themselves as labourers on buildings in course of construction, in the hope that as vacancies arise in their trades they will receive the preference.

The total number of applications for employment (including renewals) received during the period under report was 242, of which the following is an analysis:—

	European.		Coloured.	
	Class I.	Class II.	Class I.	Class II.
Artizans, building trades	43	26	8	14
„ Engineering „	22	8	3	—
Factory workers (not included in above) ...	15	5	3	1
Clerks, bookkeepers, storemen, canvassers and salesmen	7	14	2	1
Coachmen, waiters, gardeners, &c.	16	11	5	3
Timekeepers, Overseers and gangers	8	6	—	—
Farm hands	1	—	—	1
Labourers and handymen	4	11	1	3
Totals ...	116	81	22	23
Grand Total ...	242			

155 applications were received during the preceding month.

It is significant that the increase in the number of registrations is chiefly in respect to skilled artizans belonging to the building and engineering trades; but on the other hand many master builders state that there has been a remarkable decrease in the number of men calling in search of employment.

Building Trades.—No new structures of any importance were commenced, but it is satisfactory to note that work will be resumed almost immediately on the Eastern portion of the St. George's Cathedral. It is also reported that at least two other large buildings will be put in hand during the early part of the New Year.

Building Plans.—During the period 1st to 31st of October, 34 plans were under consideration by the City Council, of which 12 have been approved, 9 returned to the architects for amendment, 3 withdrawn and 10 remain under consideration. The approximate cost of the proposed work is £27,450 0s. 0d.

Tenders Accepted.—Public Works Department.—New Somerset Hospital, boundary wall to Nurse's Home, Messrs. Eddy Brothers, £500. Yellowwoods River Bridge, King William's Town, repairs to embankment, Mr. J. Wilson, £510 2s. 6d.

Industries.—*Printing.*—There appears to be a slight increase in the number of unemployed compositors. *Engineering*—Dull, very little work in hand. *Furniture-making*—A temporary activity, but no improvement in labour conditions. *Sheetmetal Working*—Slightly busier. *Baking* Good. *Biscuit-making*—Good. *Fibrous Plaster and Modelling*—Dull; a few hands discharged. *Tanning*—Normal. *Granite Dressing*—Labour conditions have much improved. *Coach and Wagon Building*—Very dull. *Milling*—No improvement. *Cardboard Box Making*—Good. *Plumbing*—Dull. *Joinery*—Very dull.

Railway Works.—The above Works were finally closed down on 22nd October, the men remaining (28) returning to Cape Town.

Relief Works.

	Married.	Single.	Total.
Employed on September 30th ...	13	136	149
„ on October 31st... ...	12	151	163
Increase of ...			14

The number of women and children dependent or partly dependent upon the married men was 45 or 3·75 per family.

Men arriving from centres as under in a destitute condition were sent to the various camps: German S.W. Africa, 1; Johannesburg, 2; Port Elizabeth, 1; Port Nolloth, 5; Pretoria, 2; Rhodesia, 1; River Diggings, 1; Simonstown, 1; Somerset West, 2; Walfish Bay, 3; Worcester, 1—Total, 20.

I am informed by the officer in charge of the Workmen's Metropole, Prestwich Street, that the average number of men availing themselves of the sleeping accommodation provided by that Institution, has been slowly but steadily increasing during the past few months, the nightly average at present being 120 as compared with 90 some 12 months since.

Vagrancy.—Convictions during September, 30; October, 40—Increase, 10.

General Supply and Demand.

Beaconsfield.—2,000 natives for mining work will be required during the ensuing month.

Bedford.—A number of natives have left the district in search of employment.

Bredasdorp.—The building and retail trades are in a flourishing condition.

Britstown.—Farm labourers are unobtainable.

East London.—The building and engineering trades show a slight improvement, and in the case of the former plans were passed by the Municipality amounting to £3,970. Retail trades are depressed, many clerks and salesmen being unemployed.

George.—The building trade is quiet but the retail trade has improved.

Hopefield.—Messrs. Pollock and Berry have commenced the erection of the new schools.

Kimberley.—There has been an increase in the number of unemployed Europeans.

Mossel Bay.—The building trade is improving and farming prospects are good.

Uniondale.—Farm hands and labourers for railway work are in demand.

Williston.—Owing to the drought, farmers have trekked with their stock to other districts.

The districts generally do not need special comment, as the supply is reported to be equal to the demand.

The reports indicate that in the undermentioned centres the supply exceeds the demand, although in the larger towns this excess appears to be gradually decreasing:—

Building Trades.—Cape, East London, Fort Beaufort, King William's Town, Middelburg, Oudtshoorn, Port Elizabeth, Steynsburg, Stockenstrom, Victoria East.

Engineering Trades.—Cape, Port Elizabeth.

Farming.—King William's Town, Stockenstrom.

Retail Trades.—Cape, East London, Port Elizabeth.

Unskilled Labourers.—Alexandria, Cape, East London, George, Herschel, King William's Town, Middelburg, Port Elizabeth, Steynsburg, Stockenstrom.

The only specific demand is for native herds and farm hands at Britstown, Calvinia, Clanwilliam, Fraserburg, Hope Town, Namaqualand, Prince Albert, Robertson, Sutherland, Uniondale, Van Rhynsdorp and Vryburg; and for unskilled labourers at Clanwilliam, Namaqualand, Prince Albert and Uniondale.

There has been an improvement in the demand for labour as follows:—

Building Trades—Aberdeen, Bredasdorp, East London, Mossel Bay and Hopefield. *Farming*—Prince Albert. *Retail Trades.*—George, Mossel Bay. *Labourers*—Mossel Bay and Clanwilliam.

C. W. COUSINS,
Officer-in-Charge.

6. MINISTERIAL DIVISION OF SECRETARY FOR AGRICULTURE.

[1105.*] [1906.]

Office of the Surveyor-General,
Cape Town, 29th August, 1906.

ALLOTMENT OF REMAINING FARMS COMPRISED IN THE FIRST RAILWAY LAND GRANT, BECHUANALAND.

UNDER and by virtue of a Resolution adopted by the House of Assembly on the 27th May, 1904, and concurred in by the Legislative Council on the 28th May, 1904, it is hereby notified for general information that the under-mentioned farms, being portion of the area known as the First Railway Land Grant, Bechuanaland, situate in the Division of Vryburg, will *up to and including the 30th November*, 1906, be open for selection in the manner and on the terms and conditions hereunder set forth, viz. :—

1. Every application for such land shall be made, in writing, to the Civil Commissioner of Vryburg, who shall note thereon the date on which such application shall have been received by him, and in due course submit the same to the Land Board appointed for the purpose by Government.

Any application received after the 30th November, 1906, *will not be considered.*

2. The said Land Board shall thereupon allot the land so applied for to the person who, in its opinion, after due enquiry is deemed the most suitable—provided that, in no case shall the Board be bound to select any person deemed undesirable.

3. Every applicant for land under the provisions of this Notice shall make and append to his application a declaration to the following effect :—

I, [A.B] (insert occupation), residing at ———— in the District of————, do solemnly and sincerely declare that I am a British subject of the age of twenty-one years and upwards, that I make this present application for my own exclusive use and benefit, and not directly or indirectly for "the use or benefit of any other person whomsoever, that I am not the owner of any land other than urban property, that I have not made any arrangement or agreement to enable or permit any other person to acquire by purchase or otherwise, the land in respect of which this my application is made."

Signature of Applicant,
[A.B.]

Declared before me at————this————day of ———— 190

[C.D.]

Justice of the Peace.

4. Every applicant at the time of making application shall deposit with the Civil Commissioner of the Division in which such land is situate a sum equal to one-twentieth of the value of such land, and of the survey and other expenses connected therewith, and in the event of his neglecting or refusing to take up the land so applied for, if allotted to him, the said sum shall be absolutely forfeited to the Government : Provided that in the case of the ground applied for not being allotted to him, the amount of his deposit shall be returned to him forthwith.

5. Any British subject of full age may be allotted land under the provisions of this Notice, but no person who is the registered owner of any land other than urban property within the Colony, and no person who has at the time of application made any arrangement or agreement to permit any other person to acquire by purchase or otherwise the land so applied for shall be allotted land, and no person shall be capable of receiving more than one allotment under these provisions.

6. The Minister shall issue to the successful applicant a licence to hold the land applied for on the following terms and conditions :

(*a*) The licence shall be for five years, reckoned from the next first July, or first January following the date of licence, but occupation may commence immediately the Licence deed is issued.

(*b*) The yearly payment in respect of such licence shall be equal to one-twentieth the price fixed for the land so held, together with one-twentieth of the survey and other expenses on such land, and shall be paid in advance.

(*c*) The deposit paid at the time of application shall be in discharge of the amount due on the next first day of January or July, as the case may be.

(*d*) The person to whom such licence is issued shall, within six months of the issue of his licence, personally occupy the land allotted to him, and shall continue so to occupy such land except as hereinafter provided, for the term of five years, or until he shall obtain a title to such land.

(*e*) No substitution whatever will be allowed during the period of the licence, unless the applicant shall have notified to the Civil Commissioner, when submitting his application for the farm, in terms of Section I of this notice, that he desires to occupy by substitute, and shall at the same time have submitted, in writing, the name of the proposed substitute for the consideration and approval of the Land Board.

Occupation by substitutes other than those approved of as above will not be permitted, and in no case will occupation by substitute be allowed for more than two years during the whole term of the licence.

7. No land held under the provisions of this Notice shall be transferable during the currency of the licence mentioned in the clause next preceding, except with the previous consent of the Government.

8. In the event of any failure during the currency of the licence to perform the condition of occupation the Minister may declare the licence absolutely forfeited and the land in respect of which the licence is issued shall revert to Government : Provided that if it is proved to the satisfaction of the Minister that the failure to occupy was caused by drought, or some other cause deemed sufficient by the Minister, he may excuse such failure, but such excuse shall not be given for a period of more than twelve months unless such cause subsists for a longer period.

9. At the expiration of the five years for which any licence is granted, and if the Minister is satisfied that the conditions therein contained have been duly fulfilled, he shall cause to be issued to the licensee a title deed to the land held and occupied by him on quitrent tenure at an annual quitrent equal to the yearly licence fee, which quitrent shall cease to be payable when twenty instalments (20) in all, equivalent to the purchase price of the land, have been paid.

10. The title deed will be subject to the following general conditions, and to such special conditions as may be considered expedient, viz. :—

(*a*) All roads and thoroughfare being or existing on the land, whether described in the diagram or not, shall remain free and uninterrupted; unless the same be closed or altered by competent authority.

(*b*) If at any time it should appear to the Governor upon petition of any adjacent or neighbouring proprietor that such adjacent or neighbouring proprietor requires a way or road of necessity to or from the land of such adjacent or neighbouring proprietor, the owner of land so granted, upon which such road is required, shall be bound to grant such way or road of necessity, and to point out the direction and width thereof : Provided that in case of a dispute or difference regarding such road, or its sufficiency, the direction and width of the road shall be decided upon by the Divisional Council of the Division in which the land is situated : Provided further that the said owner shall not be bound to allow such road or thoroughfare across land which shall at the time be in a state of cultivation or improvement, and that compensation for the right of way and any damage done shall be paid for by the person or persons for whose benefit and upon whose application the said road is made according to determination by arbitration.

(*c*) The Governor shall at all times have the right to make roads, railways, dams, aqueducts, drains, and to conduct telegraphs over the land for the benefit of the public, and to take materials for these purposes, also to establish convenient outspans for the use of travellers, on payment to the proprietors of such sum of money as compensation as may be determined by arbitration : Provided that the arbitrators may set off against the loss or damage caused to the proprietor, the benefit, instant or prospective, which he shall or may derive in consequence of the construction of any of the said works.

6. MINISTERIAL DIVISION OF SECRETARY FOR AGRICULTURE.

(*d*) The Governor shall at all times have the right of resuming the whole or a portion of the land hereby granted, if required for public purposes, on payment to the proprietor of such sum of money in compensation as may be mutually agreed upon by the parties concerned, or, failing such agreement, as may be determined by arbitration.

(*c*) All rights to gold, silver, and precious stones found or discovered at any time on or in the land so granted, shall be reserved to the Government conjointly with the Rhodesia Railways Ltd., together with a right of ingress to and egress from any mines or works undertaken for mining or prospecting purposes by any person or persons authorised by the Government. The further right shall be reserved to the Government acting with the said Company to resume proprietorship of any portion of such lands and of the water supply thereof as may be required for the convenient working of mines or works for gold, silver, or precious stones, on payment of such sums of money in compensation as may be mutually agreed upon by the parties concerned, or failing such agreement, as may be determined by arbitration.

11. If any instalment shall not be paid within three months of the date on which it is due and payable an additional sum equal to one-fourth part thereof, by way of penalty, shall be added thereto, and shall, together with the instalment overdue, be recoverable at the suit of the Government in any competent Court.

These farms will be allotted subject to the condition that the Licencee shall not be allowed during the continuance of his licence to cut down or destroy any forest timber, or poles growing upon the land, except as shall be reasonably necessary for domestic purposes, and for the beneficial occupation of the land, but not for sale.

The Government reserves the right:—

(1) *To enter upon the farms "Bulcote," "Bedale," "Cullendale," "Dingwall," "Dartmoor," "Elsmere," "Eildon," "Ettrick," "Hartnolls," "Lyndoch," "Langar," "Vengrove" and "Westfield," and to sink, for the public use and benefit, wells or boreholes within 300 yards of any existing road without compensation to the Proprietor except for improvement on land so entered upon.*

(2) *To reserve or resume in connection with any such well or borehole:—*

(*a*) *An extent of land falling within a radius of 150 feet around such well or borehole; and*

(*b*) *An approach thereto not exceeding 50 feet in width without compensation to the Proprietor, except for improvements on the land so reserved or resumed.*

The plans and form of Licence Deed may be seen at the Offices of the Civil Commissioners at Vryburg, Mafeking, Kimberley, East London, Port Elizabeth, Graham's Town, and Queenstown, and Resident Magistrate, Kuruman, respectively, and at the Surveyor-General's Office, Cape Town.

All enquiries should be addressed to the Surveyor-General or to the Civil Commissioner of Vryburg.

The Purchase Price in each case includes cost of Survey and other expenses, but it should be understood that the farms have as yet only been surveyed roughly by compass, and that before titles can be issued by the Government, in terms of Section 9 of this notice, a further survey will have to be made for which the Licensee will be called upon to pay any charges which may be incurred for survey, in excess of those already included in the purchase amount of the lots advertised.

The Government does not guarantee that the extent alleged to be contained in the farms advertised by this notice are correct, and will not hold itself liable for any shortage which may eventually be found to exist, neither does it guarantee that the corner beacons which were placed in the original compass survey are still standing nor undertake to indicate their positions.

Surveyor-General.

Office of the Surveyor-General,
Cape Town, 31st October, 1906.

IN terms of Section 4, Act 26 of 1891, as re-enacted by Act No. 18 of 1897, it is hereby notified that the following Pieces of Crown Land, situate in the Division of Kenhardt, will be offered for Lease, by Public Auction, in front of the Civil Commissioner's Office, at Kenhardt, at 10 o'clock a.m., on Friday, the 18th January, 1907, subject to the Conditions and Stipulations hereinafter contained, and further to such Conditions as may be declared on the day of Sale.

The Land will be let on Lease for any term not less than one year and not exceeding five years, to the highest bidder.

The following are General Conditions of all such Leases:—

1. One year's rent shall be paid to the Civil Commissioner on the day of Sale, and if the term of the Lease shall exceed one year the due payment in advance of the rent for the subsequent year or years shall be secured by approved sureties; provided that the Civil Commissioner may receive two years' rent in advance, in which case the said security shall not be required.

2. The Government reserves the right of terminating the Lease should it be thought expedient to sell the land or other circumstances render it necessary or expedient at any time, at two months' notice; and in such case the proportion of paid rent for any unexpired portion of the current year shall be refunded to the Lessee.

3. Government Land Surveyors employed in the survey of Crown or other lands with their assistants and servants, shall have the right of access at any time to any part of the land leased for professional purposes, and the right of occupying any part of the land, and grazing and watering their cattle or horses on all pastures and at all waters.

4. All roads running over the land leased may be used by the public as cattle thoroughfares (trekpaths) to the extent of 200 yards on each side of such road.

5. The public travelling shall have the right of outspanning along any road running over the land so leased.

6. The right of searching and mining for ores, metals, minerals, or precious stones, is reserved to the Government or to any person authorised by it, save in so far as such right may limit the rights and privileges of the said Lessee in respect of precious stones and minerals, in manner provided by any Act in that behalf.

7. The Government does not undertake to point out any beacons. The description of each Lot will be given on the day of Sale of the Leases, and the Lessee will thereupon be expected to find the extent leased by him.

8. The Lessee shall not be at liberty to cut down timber, trees, underwood, or brushwood, except such as shall be reasonably necessary for his own use, in and upon the land leased by him.

9. The Lessee shall not be entitled at the expiration or other termination of his Lease, to any compensation for improvements made during the term of the Lease, but they shall become the property of the Government.

10. The Lessee shall be required to keep all existing improvements on the land in good repair during the Lease, and to deliver up the same in good repair, but shall not be entitled to any compensation for the same.

11. The Lessee shall not transfer the Lease or sublet the land or any portion of it, or the grazing or any buildings or erections thereon, without the written sanction of the Government first obtained.

12. The Lessee shall wholly and absolutely forfeit his Lease upon the breach of any condition binding him.

13. The Government reserves to itself the right to limit the number of persons who may reside on the land hereby leased during the subsistence of the lease, and, upon the recommendation of the Divisional Council, after due enquiry made with cognisance of the Lessee, either to remove such numbers of persons as it may consider excessive or to cancel the lease as may seem to it equitable under the circumstances.

14. The occupation of land under this Lease shall not be held to be *bona fide* occupation under the provisions and for the purposes of Section 20 of Act No. 40 of 1895.

15. *The Lessee shall not have the right to kill, catch, capture, hunt or wound, any wild ostriches, or take, remove, interfere with or disturb the eggs except under a licence issued under Act* 33 *of* 1889 *or such similar Act.*

16. The Government reserves the right if found necessary, to establish a Police Station upon the land hereby leased, with free grazing and water for Police horses.

Other conditions may be declared on the day of Sale.

The Stamps required by Act No. 20 of 1884, to be affixed to the Contracts of Lease will be furnished by the Government free of charge to the Lessee.

[1198.] [1906.]

Landmeter-Generaals Kantoor,
Kaapstad, 19 September 1906.

OVEREENKOMSTIG artikel II., Wet No. 15 van 1887, zooals geamendeerd door artikels IV., V., en VI., van Wet No. 40 van 1895, wordt hiermede ter algemeene informatie bekend gemaakt dat de volgende Erven bij publieke veiling te koop aangeboden zullen worden om 10 uur v.m., voor de Kantoren van de respektievelijke Resident Magistraten op de datums vermeld, onderhevig aan de voorwaarden en bepalingen in bovengemelde wet en de algemeene koop-condities uiteengezet, en verder aan zulke voorwaarden als op den verkoopdag mogen genoemd worden.

Te Libode, West Pondoland, op Zaterdag, 24 November 1906.

Te Elliotdale, in Tembuland, op Zaterdag, 24 November 1906.

Te Worcester, op Zaterdag, 1 December 1906.

Ieder Lot zal te koop geboden worden tegen den vastgezetten inzetprijs, en de hoogste bieder, die niet minder dan dien inzetprijs zal geboden hebben, zal de kooper verklaard worden, en zoodanige kooper zal de keus hebben of het geheel of een deel van de koopsom op den koopdag te betalen: Mit dien verstande:

(i) Dat, als geene betaling geschiedt op den koopdag een-tiende van den koopprijs betaald worden zal op zes maanden en een-tiende op twaalf maanden, gerekend van den verkoopdag.

(ii) Dat, als minder dan een-tiende van den koopsom op den koopdag betaald wordt, het overige van zulk een-tiende betaald worden zal na verloop van zes maanden, en het andere een-tiende na verloop van twaalf maanden, gerekend van den verkoopdag.

(iii) Dat, als het bedrag betaald op den verkoopdag het een-tiende zijn zal of eenige som tusschen een-tiende en een-vijfde deel van de koopsom, het overige van een-vijfde van de koopsom betaald worden zal na verloop van twaalf maanden, gerekend van den koopdag.

(iv) In geval de koopsom minder dan vijf-en-twintig ponden zal zijn, zal het geheele bedrag kontant of in gelijke deelen betaald worden over een tijd van drie (3) jaren.

Interest op de bovengenoemde sommen zal betaald worden gerekend tegen vier per cent. per jaar; en de betaling der paaimenten, met de interest daarop, zal op den koopdag door twee naar het oordeel van den Resident Magistraat goede, voldoende borgen verzekerd worden, welke borgen in betrekking tot de betaling zich als borgen *in solidum* en mede principale schuldenaars verbinden, afstand doende van de excepties van excussie en divisie.

Als de kooper of diens borgen feilen, of niet in staat zijn de noodige betalingen van de koopsom als bovengenoemd binnen de gestelden tijd te doen, zal de Regeering het recht hebben den koop nietig te verklaren, en alle betalingen reeds gedaan ten opzichte van dien koop, zullen aan de Regeering vervallen.

De uitgaven van opmeting op elk perceel en van den Grondbrief, nam., 12s. 3d., zullen aan den Resident Magistraat of andere ten dien opzichte wettelijk geauthoriseerden persoon, op den koopdag betaald worden.

Indien de koopprijs £25 of meer is, is de kooper verplicht een verband te passeeren, gevende interest tegen vier per cent. per jaar, ten gunste van het Gouvernement voor vier-vijfde van den koopsom, tenzij hij op den koopdag meer dan een-vijfde daarvan betaald hebben zal, in welk geval het bedrag van het verband voor de balans van den koopsom zijn zal, hebbende de kooper het recht het verband of eenig deel daarvan, zijnde niet minder dan vijftig ponden in eens, af te betalen.

Mocht de kooper de balans van de koopsom op verband willen houden, als bovenvermeld, zal hij het verband moeten passeeren binnen dertien (13) maanden van den koopdag, in gebreke waarvan een boete van een shilling opgelegd worden zal voor iederen dag, die daarboven voorbijgegaan is tot op achttien maanden van den datum der verkooping; na welken tijd, mocht er nog geen verband gepasseerd zijn, de balans van de koopsom, met interest daarop, en het bedrag van de boete, aldus opgelegd, zoo er eenige is, terstond vervallen zal en betaald zal moeten worden en in ieder bevoegd gerechtshof zonder verdere kennisgeving opgevorderd zal worden; en indien niet binnen een maand na datum van vonnis betaald, zal de koop van nul en geene waarde worden, en reeds gedane betalingen zullen aan de Regeering vervallen.

De Kaarten en Condities van Verkooping kunnen gezien worden ten kantore van den Landmeter-Generaal, Kaapstad, en ten kantore van de respektievelijke Resident Magistraten.
